1. Formulate, evaluate and approve goals, objectives, plans and programs and set policies consistent with the overall objectives of the City and County, as established by the Mayor and the Board of Supervisors through the adoption of City legislation;

2. Develop and keep current an Annual Statement of Purpose outlining its areas of jurisdiction, authorities, purpose and goals, subject to review and approval by the Mayor and the Board of Supervisors;

3. After public hearing, approve applicable departmental budgets or any budget modifications or fund transfers requiring the approval of the Board of Supervisors, subject to the Mayor's final authority to initiate, prepare and submit the annual proposed budget on behalf of the executive branch and the Board of Supervisors' authority under Section 9.103;

4. Recommend to the Mayor for submission to the Board of Supervisors rates, fees and similar charges with respect to appropriate items coming within their respective jurisdictions;

5. Unless otherwise specifically provided, submit to the Mayor at least three qualified applicants, and if rejected, to make additional nominations in the same manner, for the position of department head, subject to appointment by the Mayor;

6. Remove a department head; the Mayor may recommend removal of a department head to the commission, and it shall be the commission's duty to act on the Mayor's recommendation by removing or retaining the department head within 30 days; failure to act on the Mayor's recommendation shall constitute official misconduct;

7. Conduct investigations into any aspect of governmental operations within its jurisdiction through the power of inquiry, and make recommendations to the Mayor or the Board of Supervisors;

8. Exercise such other powers and duties as shall be prescribed by the Board of Supervisors; and

9. Appoint an executive secretary to manage the affairs and operations of the board or commission.

In furtherance of the discharge of its responsibilities, an appointive board, commission or other unit of government may:

10. Hold hearings and take testimony; and

11. Retain temporary counsel for specific purposes, subject to the consent of the Mayor and the City Attorney.

Each board or commission, relative to the affairs of its own department, shall deal with administrative matters solely through the department head or his or her designees, and any dictation, suggestion or interference herein prohibited on the part of any member of a board or commission shall constitute official misconduct; provided, however, that nothing herein contained shall restrict the board or commission's powers of hearing and inquiry as provided in this Charter.

II. CHARTER SECTION 4.103 – BOARDS AND COMMISSIONS – ANNUAL REPORT.

As of the operative date of this Charter and until this requirement is changed by the Board of Supervisors, each board and commission of the City and County shall be required by ordinance to prepare an annual report describing its activities, and shall file such report with the Mayor and the Clerk of the Board of Supervisors. The Annual Report can be included in the Annual Statement of Purpose as provided for in Section 4.102(2).

The Board of Supervisors may also, as part of a parental leave policy adopted pursuant to subsection (c), authorize a

member of a board or commission to participate in meetings by teleconferencing or other electronic means when the member is absent to care for his or her child after birth of the child, or after placement of the child with the member or the member's immediate family for adoption or foster care. Unless otherwise required by this Charter, the affirmative vote of a majority of the members shall be required for the approval of any matter, except that the rules and regulations of the body may provide that, with respect to matters of procedure the body may act by the affirmative vote of a majority of the members present, so long as the members present constitute a quorum. All appointive boards, commissions or other units of government shall act by a majority, two-thirds, three-fourths or other vote of all members. Each member present at a regular or special meeting shall vote "yes" or "no" when a question is put, unless excused from voting by a motion adopted by a majority of the members present.

The Health Services administrator shall administer the Health Service System in accordance with the provisions of this Charter and the rules, regulations and policies of the Health Service Board. The Board and each committee of the Board shall confine its activities to policy matters and to matters coming before it as an appeals board. The Board shall prepare its rules, regulations and policies so that they are clear, definite and complete and so that they can be readily administered by the Health Services administrator.

(Amended November 2004)

VI. CHARTER SECTION 12.202. – MEMBERSHIP IN HEALTH SERVICE SYSTEM.

The members of the System shall consist of all officers and permanent employees of the City and County, the Unified School District, the Community College District, and such other officers, employees, dependents and retirees as provided by ordinance.

VII. CHARTER SECTION 12.203. – HEALTH SERVICE SYSTEM FUND.

The Health Service System fund shall be a trust fund administered by the Health Service Board in accordance with the provisions of this Charter solely for the benefit of the active and retired members of the Health Service System and their covered dependents. The City and County, School District and Community College District shall

each contribute to the Health Service System Fund amounts sufficient to efficiently administer the Health Service System.

VIII. CHARTER SECTION A8.420 – ESTABLISHMENT OF AND MEMBERSHIP IN HEALTH SERVICE SYSTEM

A health service system is hereby established. Said system shall be administered by the human resources department subject to the approval of the health service board. The members of the system shall consist of all permanent employees, which shall include officers of the City and County, of the San Francisco Unified School District, and of the Parking Authority of the City and County of San Francisco and such other employees as may be determined by ordinance, subject to such conditions and qualifications as the Board of Supervisors may impose, and such employees as may be determined by collective bargaining agreement. Any employee who adheres to the faith or teachings of any recognized religious sect, denomination or organization and, in accordance with its creed, tenets or principles, depends for healing upon prayers in the practice of religion shall be exempt from the system upon filing annually with the human resources department an affidavit stating such adherence and dependence and disclaiming any benefits under the system. The human resources department shall have the power to exempt any person whose compensation exceeds the amount deemed sufficient for self-coverage and any person who otherwise has provided for adequate medical care. Any claim or request for exemption denied by the human resources department may be appealed to the health services board.

IX. CHARTER SECTION A8.421 – ADOPTION OF PLANS FOR RESIDENTS

Subject to the requirements of state law and the budgetary and fiscal provisions of the Charter, the Health Service Board is authorized by a two-thirds vote of the entire membership of the Health Service Board to adopt a plan or plans or make other

provision for health or dental benefits for residents of the City and County of San Francisco. Such plan or plans shall not become effective until approved by an ordinance of the Board of Supervisors adopted by three-fourths of its members. Residents shall not by virtue of enrolling in such plan or plans become members of the Health Service System. The Health Service System Fund shall not be used to provide any benefits under this section. The Health Service Board shall adopt rules and regulations to administer this section.

The determinations made under this section, including but not limited to whether to adopt a plan or plans, what benefits to offer, determination of eligibility, and the fixing and allocation of the cost of any plan or plans, are within the sole discretion of the City and County and its officials.

(Amended November 2004)

X. CHARTER SECTION A8.422 – ADOPTION OF PLANS FOR MEMBERS

The board shall have power and it shall be its duty by a majority vote of the entire membership of the health service board to adopt a plan or plans for rendering medical care to members of the system, or for the indemnification of the cost of said care, or for obtaining and carrying insurance against such costs or for such care.

Such plan or plans as may be adopted, shall not become effective until approved by ordinance of the Board of Supervisors, adopted by three-fourths of its members.

The Board of Supervisors shall secure an actuarial report of the costs and effect of any proposed change in the benefits of the health service system or rates of contribution before enacting an ordinance or before voting to submit any proposed Charter amendment providing for such change.

(Amended November 2004; Proposition C, Approved 11/8/2011)

XI. CHARTER SECTION A8.423 – REVISION OF SCHEDULES AND COMPENSATION

In January of each year, or at such other time consistent with the Plan Year set by the health service board, or at such other time consistent with the Plan Year set by the Health Service Board, at a public hearing, the Health Service Board shall review and determine the adequacy of medical care provided for members of the system and the adequacy of fee schedules and the compensation paid for all services rendered and it may make such revisions therein as it deems equitable but such revisions shall not become effective until approved by ordinance of the Board of Supervisors adopted by three-fourths of its members.

Commencing in 1973, the Health Service Board shall, prior to the second Monday in January in each year, or at such other time consistent with the Plan Year set by the Health Service Board, conduct a survey of the 10 counties in the State of California, other than the City and County of San Francisco, having the largest populations to determine the average contribution made by each such county toward the providing of health care plans, exclusive of dental care, for each employee of such county. The Health Service Board may promulgate rules and regulations for the survey to allow for unavoidable gaps in survey data and to insure a consistent methodology from year to year. In accordance with said survey, the Health Service Board shall determine the average contribution made with respect to each employee by said 10 counties toward the health care plans provided for their employees and on or before the second Monday in January of each year, or at such other time consistent with the Plan Year set by the Health Service Board, the Health Service Board shall certify to the Board of Supervisors the amount of such average contribution. For the purposes of Section A8.428, the amount of such average contribution shall be "the average contribution."

The Health Service Board shall have the responsibility to obtain and disseminate information to its members with regard to plan benefits and costs thereof. All expenses in connection with obtaining and disseminating said information, the investment of such fund or funds as may be established, including travel and transportation costs, member wellness programs, actuarial expenses and expenses incurred to reduce health care costs, shall be borne by the system from reserves in the health service fund but only upon adoption of a resolution by the Health Service Board approving such expenses. (Amended November 2004; Proposition C, Approved 11/8/2011)

XII. CHARTER SECTION A8.424 – SPECIFICITY REQUIRED

Each plan for medical care shall make detailed and specific provision for the benefits to be provided thereunder and for the rates of contribution required to support the plan.

XIII. CHARTER SECTION A8.425 – PERSONS COVERED

Each plan may make provision for the participation in the benefits of the system by the dependents of members, retired City and County employees, temporary City and County employees, such other dependents of deceased and retired City and County employees as the Board of Supervisors may authorize by ordinance, teachers and other employees of the San Francisco Unified School District retired under the San Francisco City and County Employees' Retirement System and resigned employees of the City and County and resigned teachers and employees of the school district whose resignations occur after June 15, 1955, and within 30 days immediately prior to the date on which, but for their resignations, they would have become retired members of the said Retirement System, on whose relinquishment of retirement allowances as permitted by the Charter occurs after such date and resigned employees of the San Francisco Unified School District not otherwise included. A resigned employee or

teacher is one whose employment has terminated other than by retirement, discharge or death or who has relinquished retirement allowances. The purpose of empowering the health service board to make provision for the participation in the benefits of the system to the aforementioned resigned teachers and employees of the San Francisco Unified School District is to enable them, subject to the health service board's exercise of its power, to participate in the benefits of the system after transferring to the State Teachers' Retirement System from the San Francisco City and County Employees' Retirement System. The purpose of empowering the health service board to make provision for participation in the benefits of the system by the aforementioned resigned employees of the City and County and other resigned employees of San Francisco Unified School District is to permit the health service board to have power to treat them the same as it treats resigned teachers and employees of the San Francisco Unified School District.

As used in this section, and for the purpose of this section, the terms "City and County employees" and "employees of the City and County" shall include officers and employees of the Parking Authority of the City and County of San Francisco.

In addition to "the average contributions" in Subsection (b) of Section A8.428, the Board of Supervisors may provide by ordinance for additional funds from the City and County to pay the full cost of any plan for medical benefits adopted under Sections A8.422 or A8.423 for current members of the Board of Supervisors. The Board of Supervisors may also provide by ordinance for the continuation in any plan by former supervisors who agree to and do pay the full cost of such benefit.

(Amended March 2000)

XIV. CHARTER SECTION A8.426 – RIGHT OF SELECTION

No member of the health service system shall be required to accept the services or medical supplies of any physician (physician includes physicians and surgeons,

optometrists, dentists, chiroprodists and osteopathic and chiropractic practitioners licensed by California State Law and within the scope of their practice as defined by California State Law), person licensed to treat human diseases without the use of drugs, nurse, pharmacist or hospital selected by the health service board, but, subject to rules and regulations of that board, every member shall have the right to select, of his or her own choice, a duly licensed physician, as defined herein, person licensed to treat human diseases without the use of drugs, nurse, pharmacist, hospital or other agency of medical care as herein defined, who or which is made available through health service system plans; and the health service board shall make provision for the exercise of such selection; and is hereby expressly prohibited from entering into any exclusive contract for the rendering of said service.

A duly licensed physician, as defined herein, person licensed to treat human diseases without the use of drugs, nurse, pharmacist, hospital or other agency of medical care shall have the right to furnish such services or medical supplies at uniform rates of compensation to be fixed by the health service board.

(Amended by Proposition C, Approved 11/8/2011)

XV. CHARTER SECTION A8.427 – EFFECT OF OTHER CHARTER PROVISIONS

Except as otherwise specifically provided herein, all provisions of the Charter shall be fully applicable to the health service board, the health service system and its administrator, medical director and employees in the same manner that they apply to other boards, commissions, and departments of the City and County.

(Amended November 2004)

XLII. ADMINISTRATIVE CODE SECTION 16.704. – REMEDYING DISCRIMINATION AGAINST EMPLOYEES IN SAME-SEX MARRIAGES OR IN SAME-SEX DOMESTIC PARTNERSHIPS.

(a) Findings and Purpose. The City and County of San Francisco (City) finds that its own employees with same-sex spouses or same-sex domestic partners suffer both dignitary and economic harm as a result of discriminatory federal laws. In particular, as a result of discriminatory treatment under federal tax laws that impose taxes on health care coverage provided to employees with same-sex, but not those with opposite-sex, spouses, City employees with same-sex spouses or same-sex domestic partners suffer not only the indignities of being treated as second-class citizens by their own government; they also suffer measurable financial harm that is concrete, persistent, and significant, and in some cases immense.

The City is committed to the equitable principle that all City employees receive equal pay for equal work. That principle is unattainable for City employees with same-sex spouses or same-sex domestic partners so long as: (1) state law prevents same-sex couples from marrying; (2) federal law treats the value of employer contributions for same-sex spouses' or same-sex domestic partners' health insurance premiums as taxable income, and does not tax employer subsidies for opposite-sex spouses' health insurance premiums; and (3) federal law prevents the use of pre-tax dollars by employees to pay health insurance premiums for their same-sex spouses or same-sex domestic partners, while allowing the use of pre-tax dollars by employees to pay health insurance premiums for their opposite-sex spouses.

In an effort to offset the discriminatory impact of federal taxation on same-sex spouse and same sex-domestic partner health insurance premiums, and to come closer to achieving the equitable principle of equal pay for equal work, this Section 16.704 requires the City to make payments to City employees who are provided subsidies for,

and/or who pay all or part of the premiums for, their same-sex spouses' or same-sex domestic partners' health insurance premiums.

(b) For each City employee Health Service System member who is subject to federal taxation on health insurance premiums (both medical and dental) paid by the City for a same-sex spouse, or same-sex domestic partner, the City shall pay an amount equal to twenty (20%) percent of the portion of the employee's health insurance premiums attributable to the same-sex spouse, or same-sex partner, as determined by the San Francisco Health Service System. These payments shall not be part of the employee's base pay, are not payments made as compensation for hours of employment, and shall not be included in any overtime or premium pay calculations.

(c) Operative Date. This Section 16.704 shall become operative on July 1, 2013.

(d) Expiration. This Section 16.704 shall expire in its entirety, or as applied specifically to one or more of the following three groups of City employees – employees with same-sex spouses who married in California; employees with same-sex spouses who married outside of California; and employees with same-sex domestic partners – if, and when, the City Attorney's Office certifies to the Mayor and the Board of Supervisors that one or more of those groups of City employees are no longer subject to discriminatory federal income taxation of health insurance premiums attributable to their same-sex spouses or same-sex domestic partners. This Ordinance shall continue to apply to those groups of City employees listed above who continue to be subject to discriminatory federal income tax on health insurance premiums attributable to their same-sex spouses or same-sex domestic partners.
