Trio ACO HMO Network

This benefit Plan uses a specific network of Health Care Providers, called the Trio ACO HMO provider network. Medical Groups, Independent Practice Associations (IPAs), and Physicians in this network are called Participating Providers. You must select a Primary Care Physician from this network to provide your primary care and help you access services, but there are some exceptions. Please review your Evidence of Coverage for details about how to access care under this Plan. You can find Participating Providers in this network at blueshieldca.com.

Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this benefit Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Defined terms are in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

Notes

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the benefit Plan.

If this benefit Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Your payment for services from "Other Providers." You will pay the Copayment or Coinsurance applicable to Participating Providers for Covered Services received from Other Providers. However, Other Providers do not have a contract to provide health care services to Members and so are not Participating Providers. Therefore, you will also pay all charges above the Allowable Amount. This out-of-pocket expense can be significant.

4 Calendar Year Out-of-Pocket Maximum (OOPM):

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges above a Benefit maximum.

Essential health benefits count towards the OOPM.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

5 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

6 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

Benefit Plans may be modified to ensure compliance with State and Federal requirements.

1 Amounts paid through copayments and any applicable pharmacy deductible accrues to the member's medical calendar year out-of-pocket maximum. Please refer to the *Evidence of Coverage* and Plan Contract for exact terms and conditions of coverage. Please note that if you switch from another plan, your prescription drug deductible credit, if applicable, from the previous plan during the calendar year will not carry forward to your new plan.

2 Drugs obtained at a non-participating pharmacy are not covered, unless Medically Necessary for a covered emergency.

3 Select drugs require prior authorization by Blue Shield for medical necessity, or when effective, lower cost alternatives are available.

4 If the member requests a brand drug when a generic drug equivalent is available, the member is responsible for paying the generic drug copayment plus the difference in cost to Blue Shield between the brand drug and its generic drug equivalent.

5 Contraceptive drugs and devices covered under the outpatient prescription drug benefits will not be subject to the applicable calendar year pharmacy deductible when obtained from a participating pharmacy. If a brand contraceptive is requested when a generic equivalent is available, the member will be responsible for paying the difference between the cost to Blue Shield for the brand contraceptive and its generic drug equivalent. In addition, select contraceptives may need prior authorization to be covered without a copayment.

6 Network Specialty Pharmacies dispense Specialty drugs which require coordination of care, close monitoring, or extensive patient training that generally cannot be met by a retail pharmacy. Network Specialty Pharmacies also dispense Specialty drugs requiring special handling or manufacturing processes, restriction to certain Physicians or pharmacies, or reporting of certain clinical events to the FDA. Specialty drugs are generally high cost.

7 Specialty Drugs are available from a Network Specialty Pharmacy. A Network Specialty Pharmacy provides specialty drugs by mail or upon member request, at an associated retail store for pickup.

8 Coinsurance is calculated based on the contracted rate. When the Participating Pharmacy's contracted rate is less than the Member's Copayment or Coinsurance, the Member only pays the contracted rate.

Note: This plan's prescription drug coverage is on average equivalent to or better than the standard benefit set by the Federal government for Medicare Part D (also called creditable coverage). Because this plan's prescription drug coverage is creditable, you do not have to enroll in a Medicare prescription drug plan while you maintain this coverage. However, you should be aware that if you have a subsequent break in this coverage of 83 days or more anytime after you were first eligible to enroll in a Medicare prescription drug plan, you would be subject to a late enrollment penalty in addition to your Part D premium.

Chiropractic and Acupuncture Benefits

Additional coverage for San Francisco Health Service System
Custom Access+ and Trio HMO Plans

Blue Shield Chiropractic and Acupuncture Care coverage lets you self refer to a network of more than 4,000 licensed chiropractors and more than 2,500 licensed acupuncturists. Benefits are provided through a contract with American Specialty Health Plans of California, Inc. (ASH Plans).

How the Program Works

You can visit any participating chiropractors or acupuncturists in California from the ASH Plans network without a referral from your HMO Primary Care Physician. Simply call a participating provider to schedule an initial exam.

At the time of your first visit, you'll present your Blue Shield identification card and pay only your copayment. Because participating chiropractors and acupuncturists bill ASH Plans directly, you'll never have to file claim forms.

If you need further treatment, the participating chiropractor or acupuncturist will submit a proposed treatment plan to ASH Plans for medical necessity review to continue treatment up to the calendar year maximum of 30 Visits each.

What's Covered

The plan covers medically necessary chiropractic and acupuncture services including:

- Initial and subsequent examinations
- Office visits and adjustments (subject to annual limits)
- Adjunctive therapies
- X-rays (chiropractic only)

Benefit Plan Design

Friendly Customer Service

Helpful ASH Plans Member Services representatives are available at (800) 678-9133 Monday through Friday from 6 a.m. to 5 p.m. to answer questions, assist with problems, or help locate a participating chiropractor or acupuncturist.
