Dental Plans

Dental benefits are a valuable part of your healthcare coverage and fundamental to your overall good health.

PPO Dental Plans

A PPO dental plan allows you to visit any in-network or out-of-network dentist. The plan pays higher benefits (i.e. you pay less) when you go to an in-network PPO dentist.

SFHSS offers the following PPO dental plan:

- Delta Dental PPO

Save Money By Choosing PPO Dentists

Delta Dental PPO has two different networks. Ask your dentist if they are a Delta Dental PPO network or a Premier network dentist. Both networks are held to the same quality standards.

You can also choose a dentist outside of the PPO and Premier networks. However, services may be covered at a lower percentage, so you pay more. Payment is based on reasonable and customary fees for the area.

Ask your Delta Dental dentist about costs *before* receiving services. You can request a pre-treatment estimate of costs before you receive care.

DHMO Dental Plans

Similar to medical HMOs, Dental Health Maintenance Organization (DHMO) plans require that you receive all of your dental care from within a network of participating dental offices. These networks are generally smaller than dental PPO networks.

Before you elect a DHMO plan, make sure that the plan’s network includes the dentist of your choice.

Under these plans, services are covered either at no cost or a fixed co-pay. Out-of-pocket costs for these plans are generally lower than PPO plans.

SFHSS offers the following DHMO plans:

- DeltaCare USA DHMO
- UnitedHealthcare Dental DHMO

Delta Dental SmileWay

Delta Dental PPO’s **SmileWay** program features 100% coverage for one annual periodontal scaling and root planing procedure and an increased number of teeth cleaning or periodontal maintenance services for members with specific chronic conditions. Deductibles and Calendar Year Benefit Maximum apply. To enroll, call Delta Dental PPO directly at **(888) 335-8227**.
