Other Benefits Administered by City College of San Francisco (CCSF)

Delta Dental, Flexible Spending Accounts and other Voluntary Benefits are administered by the CCSF Benefits Unit. Please contact **CCSF Benefits Unit** at benefits@ccsf.edu.

Dental PPO

City College of San Francisco (CCSF) offers eligible employees the opportunity to enroll in dental benefits administered by Delta Dental. Enrollment in dental benefits is handled through the **CCSF Benefits Unit**. Visit ccsf.edu for details about covered services under this plan.

This PPO dental plan allows you to visit any in-network or out-of-network dentist. The plan pays higher benefits (and you pay less) when you visit an in-network PPO dentist.

Ask your Delta Dental dentist about costs before receiving services. You can request a pre-treatment estimate of costs before you receive care. For more information, call Delta Dental at **(888) 499-3001**.

Flexible Spending Accounts (FSA)

FSAs can save you money by reducing your taxable income. You can enroll in a Healthcare FSA, a Dependent Care FSA, or both. Once enrolled, you set aside money pre-tax via payroll deduction to fund your FSA account(s). To receive FSA reimbursements, you must submit documentation to the plan administrator by required deadlines.

A Healthcare FSA helps to pay for qualifying medical expenses. Qualifying expenses include medical, pharmacy, dental and vision co-pays, acupuncture and chiropractic care and more.

Unused FSA Healthcare up to the maximum carryover fund amounts can carryover to the following year. Your carryover will be determined at the end of the claim filing period (March 31). Carryover funds can only be accessed for one plan year and any remaining carryover funds will be forfeited.

IRS Rules require FSA annual enrollment/election during Open Enrollment. For more information, read IRS code section 125, [irs.gov/forms](https://www.irs.gov/forms).

A Dependent Care FSA can help pay *pre-tax* for qualifying dependent care expenses. Qualifying expenses include certified day care, pre-school and elder care. Children in day care must be under age 13. **FSA Dependent cannot be used for dependent medical, dental or vision expenses.**

Unlike an FSA Healthcare, there is no carryover on FSA Dependent Care. FSA Dependent Care expenses and services need to be incurred in the same plan year or be forfeited. There are no exceptions.

Before enrolling in your FSA, work out a detailed estimate of the eligible expenses you are likely to incur. Budget conservatively. Please note, with an FSA your taxable income will be reduced for Social Security purposes so there may be a corresponding reduction in Social Security benefits.

Services and/or purchases must be made within the election year/eligibility period. Plan year is from January 1 to December 31. Funds are available after being deducted from your paycheck and received by *WageWorks*. There are no refunds for canceling or reducing elections.

FSA Healthcare and FSA Dependent Care expenses reimbursement claims must be submitted to *WageWorks* by March 31st for the prior plan year.

Per IRS rules, you forfeit all funds remaining in an FSA by end of the claim filing period unless covered by FSA Healthcare Carryover Provision.

For complete list of eligible healthcare and dependent care expenses and more information on FSA, visit wageworks.com.

Commuter Benefits

City College of San Francisco (CCSF)'s Benefits Unit offers employees the opportunity to enroll in commuter benefits. This pre-tax benefit account can be used to pay for public transit (train, subway, bus, and ferry) and parking fee associated with work as part of your daily commute to and from work.

Save an average of up to 30% on public transit as part of your daily commute to and from work and reduce your overall tax burden (e.g. funds are withdrawn from your paycheck *before* taxes are deducted thereby reducing your taxable income). Sign up any time to start saving and there's no "use it or lose it" as long as you're enrolled. The commuter benefits account for CCSF employees are administered by *WageWorks*. Visit wageworks.com for more information.

Other Voluntary Benefits

Eligible **CCSF** employees may also purchase the voluntary benefits below:

- Individual life, accident, short-term disability, cancer/specified disease, hospital confinement indemnity, specified health event, dental and vision insurance.
- For more information about dental, FSA, and additional voluntary benefits that are administered through CCSF, visit ccsf.edu.

CCSF Provides Your Dental Benefits

For eligible employees, in this incentive plan, Delta Dental pays 70% of the contract allowance for covered diagnostic, preventive and basic services and 70% of the contract allowance for major services during the first year of eligibility. The coinsurance percentage will increase by 10% each year (to a maximum of 100%) for each enrollee if that person visits the dentist at least once during the year. If an enrollee does not use the plan during the calendar year, the percentage remains at the level attained the previous year. If an enrollee becomes ineligible for benefits and later regains eligibility, the percentage will drop back to 70%.
