Benefit Addition to Infertility and Reproductive Technology Benefit

March 9, 2017

Benefit Addition to Infertility and Reproductive Technology Benefit

Offer one time sperm retrieval and sperm storage for up to 12 months per lifetime:

- Sperm retrieval and sperm storage available to members for whom medical treatment will result in the member becoming infertile
 - Benefit not available for members who are undergoing voluntary sterilization
- Plans to assist the member in finding long-term storage and shipping, both of which are at the member's expense
 - Storage costs are between \$300 and \$1,000 for 12 months

Action: Adopt the benefit addition of one time sperm retrieval and sperm storage for up to 12 months per lifetime:
