

TAKE TIME TO BREATHE

🌊 RELAX, REFRESH, AND RESET. 🌊

Inhale and count 1, 2, 3, 4 | Exhale and count 1, 2, 3, 4 | Repeat 5 times

STEP 1: INHALE FULLY

Place your hands on your belly. Breathe in slowly through your nose to fill your lungs. Feel your abdomen expand like a balloon.

STEP 2: EXHALE FULLY

As you blow out, slowly release the air through your nose. Draw your belly button back toward your spine. Deflate the imaginary balloon.

🌊 **RECHARGE**

Release the effects of workday stress. Take time to breathe. It only takes a minute to feel a dramatic difference.
