Be Prepared:

Flu clinics will be different this year in order to ensure the health and safety of our employees there are a few things you need to know prior to attending a clinic.

1. **Appointment will be required.**
2. **Proper face mask will be required** for admittance into the clinic and to obtain a flu vaccination. For more information on approved cloth face mask and how to properly wear a face mask please [visit the CDC](#).
3. You will need to **print out and complete the Vaccination Informed Consent form** and bring it with you to the clinic. If you are interested in a copy of your form, you will need to take an image of it on your smart phone on the day of the event.
 - a. Download the English version [HERE](#)
 - b. Download the Spanish version [HERE](#)
4. For **City employees, please bring your City ID/badge** (DSW or Department issued badge). Worksite clinics are NOT for spouses/domestic partners and children of City employees.

Please do not attend a clinic if:

1. you are currently (during the time of your scheduled appointment) being quarantined due to potential exposure of COVID-19,
2. you are currently (during the time of your scheduled appointment) in isolation due to being identified as COVID-19 positive, or
3. if you are already accessing a medical facility due to chronic illness.
