

## SFHSS Well-Being Activities Description List

Please allow 6-8 weeks lead time to order an activity for your department. Most activities are only available virtually. Work with the SFHSS Well-Being Coordinator to find the best activity for your worksite.

- To order an activity visit [sfhss.org/well-being/WB-activities](https://sfhss.org/well-being/WB-activities) to learn more.
- Complete the online [Request Form](#).
- Notify [Well-Being@sfgov.org](mailto:Well-Being@sfgov.org) and cc your SFHSS Well-Being Coordinator.
- For additional questions about the activities, email your SFHSS Well-Being Coordinator.

\* Activities with limited availability may not be accommodated or may be required to be an “open event” (promoted in the citywide calendar).

### Healthy Behaviors: Special Activities & Programs

Activity & Provider	Description	Notes
<p>Telephonic Lifestyle Coaching</p> <p>KP</p>	<p>Reserve your spot to meet one-on-one with a Lifestyle Coach.</p> <p>Appointments can focus on healthy eating, weight management, physical activity, sleep, and or managing stress. Appointments are 20 minutes and are conducted over the phone.</p> <p>During the time with the Coach, you will set goals, discuss potential challenges, address barriers, and celebrate success.</p>	<p>4-hour minimum</p> <p>Can be requested as a onetime event or as a series.</p> <p><b>Registration required:</b> SFHSS or KP can provide appointment scheduler. Department can take manual registration if appropriate to work environment.</p>
<p>Healthy Habits Program*</p> <p>KP</p>	<p>In this 6-week program, we'll help you tackle issues in your day-to-day life that make weight loss difficult, such as stress, lack of sleep, easy access to unhealthy food, and finding time to exercise.</p> <p>Learn how making healthy lifestyle choices, including regular exercise, proper nutrition, and keeping a positive attitude, can help you lose weight and keep it off.</p> <p>Program includes group sessions led by a Lifestyle Coach, 6-weeks of classes, topics include: weight, nutrition, exercise, stress, and staying motivated.</p>	<p>Virtual 45-60-minute sessions weekly for 6 weeks in a group coaching format.</p> <p>Required Participation: Minimum 12, Maximum 30</p> <p><b>Registration required:</b> Platform for registration is facilitated through KP and requires participants to complete a pre/post survey.</p>

<p><b>Advanced Health Screening*</b></p> <p>KP</p> <p>Health Net</p>	<p>Do you know your numbers? Attend the Health Screening and discover your numbers for five major health risks factors: cholesterol, glucose (finger stick blood draw), blood pressure, weight, and body composition. Learn how your measurements compare to the healthy range and what behaviors impact them. Each screening takes approximately 20-minutes and is non-fasting.</p> <p>Employees can use sick time to attend a screening with manager's approval</p>	<p>30-person minimum.</p> <p>Consider combining with a telephonic Lifestyle Coaching session to maximize the impact.</p> <p><b>Registration required:</b> SFHSS or provider can provide appointment scheduler. Department can take manual registration if appropriate to work environment.</p>
<p><b>Basic Health Screening*</b></p> <p>KP</p> <p>Health Net</p>	<p>Do you know your numbers? Attend the Basic Health Screening and discover your numbers for three major health risks factors: Total cholesterol, High Density Lipoprotein (HDL), glucose, and blood pressure. Learn how your measurements compare to the healthy range and what behaviors impact them. Each screening takes approximately 10-minutes and is non-fasting.</p> <p>Employees can use sick time to attend a screening with manager's approval.</p>	<p>30-person minimum.</p> <p>Consider combining with a telephonic Lifestyle Coaching session to maximize the impact.</p> <p><b>Registration required:</b> SFHSS or provider can provide appointment scheduler. Department can take manual registration if appropriate to work environment.</p>

## Healthy Lifestyle Workshops & Webinars

## Employee Assistance Program (EAP) Trainings and Workshops

The following EAP@Work training and workshops may be attended during work time with supervisor approval and require consultation between EAP and the department. For in-person requests, the department must provide audio-visual equipment for presentation.

Topic & Provider	Description	Notes
<p><b>Making Work, Work Series</b></p> <p>EAP</p>	<p><b>These 4 skill-based workshops can help to improve your work experience and sense of personal well-being.</b></p> <p>Being able to manage stress and manage your own emotions is essential for wellbeing. Learning to communicate effectively and handle difficult people can have a positive impact on your work environment. Join SF HSS EAP for these 4 counselor-facilitated workshops to learn and practice skills to make work, work for you.</p>	<p>This is a 7-hour series, offered in 4 sessions:</p> <ul style="list-style-type: none"> <li>• Managing Stress, 1.5-hour</li> <li>• Effective Communication, 2-hour</li> <li>• Dealing with Difficult People 1.5-hour</li> <li>• Managing Ourselves, 2-hour</li> </ul> <p>A minimum of 10 participants are preferred.</p> <p>In-person or Virtual</p>
<p><b>Dealing with Difficult People</b></p> <p>EAP</p>	<p>This interactive workshop will help you deal more confidently and effectively with difficult people and situations. Explore how difficult people and situations can impact your ability to respond effectively. Learn how to match a person’s emotional state with an appropriate response. Learn how to take time to examine your own perceptions while facilitating less stressful interactions when dealing with difficult people. Learn to maintain calm so you can move the situation forward in a positive direction.</p> <p>Note: If your work unit deals with potentially volatile situations in day-to-day operations, consider following this session or the Making Work, Work Series with CPI – Non-violent Crisis Intervention Training.</p>	<p>1.5-hour interactive workshop.</p> <p>Minimum of 10 participants preferred.</p> <p>This workshop may be requested as part of the <i>Making Work, Work Series</i> or as an individual workshop.</p> <p>In-person or virtual</p>
<p><b>Effective Communication</b></p> <p>EAP</p>	<p><b>This interactive and informative communication workshop explores how to be a more effective communicator.</b></p> <p>You will learn about the three parts of communication, how your emotions can drive your communication style, effective listening skills, and how your assumptions can lead to miscommunications. In this workshop you will work on self-awareness and begin to develop a plan for better and more effective communication through listening, assessing the situation, inquiry, and self-assessment.</p>	<p>2-hour interactive workshop.</p> <p>Minimum of 10 participants preferred.</p> <p>This workshop may be requested as part of the <i>Making Work, Work Series</i> or as an individual workshop.</p> <p>In-person or virtual</p>

Topic & Provider	Description	Notes
<p><b>Managing Stress</b></p> <p>EAP</p>	<p><b>This workshop examines the importance of perception, identifying stress triggers and thinking ahead about coping strategies.</b></p> <p>Will you take control of your stress, or will your stress take control of you? Learn how to break the cycle of negative response to stress by practicing simple relaxation techniques, examining your perspective, and engaging in self-care. Learn how to develop an effective stress management plan for increased well-being at work and at home.</p>	<p>1.5-hour interactive workshop.</p> <p>Minimum of 10 participants preferred.</p> <p>This workshop may be requested as part of the <i>Making Work, Work Series</i> or as an individual workshop.</p> <p>In-person or virtual</p>
<p><b>Stress First Aid</b></p> <p>EAP</p>	<p>Stress First Aid is an evidence-based peer support and self-care model that anyone can use in any setting during stressful times. In this training you will learn what stress first aid is, how to recognize distress in yourself and others and build essential skills to help others in a time of distress. At the completion of this training, participants will be able to:</p> <p>Learning Objectives:</p> <ul style="list-style-type: none"> <li>• Identify stress in your colleagues and ensure help is offered.</li> <li>• Identify stress in yourself and know how to reach out for support.</li> <li>• Create a supportive work environment where:                             <ul style="list-style-type: none"> <li>○ team members are caring for one another and</li> <li>○ leadership promotes mental health &amp; well-being</li> </ul> </li> </ul>	<p>2-hour interactive training</p> <p>In-person or virtual</p> <p>Class size 6-18 participants. Must meet minimum of at least 6 participants.</p> <p>Training materials will be provided</p>
<p><b>Anger Management</b></p> <p>EAP</p>	<p><b>This workshop is an introduction to managing anger for well-being at work.</b></p> <p>We all get angry occasionally; it's a normal emotion that can be a useful expression of how we are feeling. However, if anger gets in the way of healthy communication or gets us into trouble, it's time to examine patterns. Join us to learn about the anger process, how to identify what causes anger and how it impacts you and others around you. Learn practical anger management techniques that can be immediately applied.</p>	<p>1-hour interactive workshop.</p> <p>Minimum of 10 participants preferred.</p> <p>In-person or virtual</p> <p>This workshop can be done individually.</p>

Topic & Provider	Description	Notes
<p>EAP Essentials for Leadership (Directors, Managers, Supervisors, and HR Professionals)</p> <p>EAP</p>	<p>This introduction to the SFHSS Employee Assistance Program informs managers, supervisors, directors, and human resource professionals about the variety of services offered to employees, and the unique consultation, coaching, counseling, and organizational services offered to leaders. Learn about how and when to refer an employee, what you can do for your employees to help them after a critical incident and when to reach out for EAP services to come to your workplace.
