Submit Elections

You have almost completed your enrollment. If you have no further changes, select the **Submit** button on this page to finalize your benefit choices. Select the **Go Back** button if you are not ready to submit your choices and wish to return to the Enrollment Summary.

Do not submit your benefit choices until you have completed your enrollment. You may store your choices on each page and return to the Enrollment Summary as many times as you'd like up until your enrollment deadline. However, once you select the Submit button your benefit choices will be sent to the Benefits Department for processing.

Once your enrollment is processed, you may not be able to make any further benefit changes until the next Open Enrollment period or if you have a qualified family status change.

By submitting your benefit choices you are authorizing San Francisco Health Service System to deduct your premium contributions from your wages. You are also authorizing San Francisco Health Service System to send necessary personal information to selected insurance carriers to complete your enrollment. Your enrollment will not be complete until your submissions have been reviewed and confirmed by San Francisco Health Service System.

If you have selected the Kaiser plan, by submitting your enrollment, you are agreeing to Kaiser Health Plan Arbitration Agreement:

I understand that (except for Small Claims Court cases, claims subject to a Medicare appeals procedure or the ERISA claims procedure regulation, and any other claims that cannot be subject to binding arbitration under governing law) any dispute between myself, my heirs, relatives, or other associated parties on the one hand and Kaiser Foundation Health Plan, Inc. (KFHP), any contracted health care providers, administrators, or other associated parties on the other hand, for alleged violation of any duty arising out of or related to membership in KFHP, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. I agree to give up our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Evidence of Coverage.

**Disputes arising from the following fully-insured Kaiser Permanente Insurance Company coverages are not subject to binding arbitration: 1) the Preferred Provider Organization (PPO) and the Out-of-Network portion of the Point-of-Service (POS) plans; 2) Preferred Provider Organization (PPO) plans; 3) Out-of-Area Indemnity (OGA) plans; and 4) KPVC Dental plans.*

By enrolling in a Kaiser Permanente plan, I understand that this action will serve as my electronic signature of agreement to the conditions provided in **Kaiser Foundation Health Plan Arbitration Agreement** (above) and that by law this electronic signature will have the same effect as a signature on a paper form.

Note: If you do not wish to accept the arbitration agreement above you must make a new Health Plan selection.
