

How to Update Your Benefits Following a Qualified Life Event or COVID-19 Relief

Welcome!

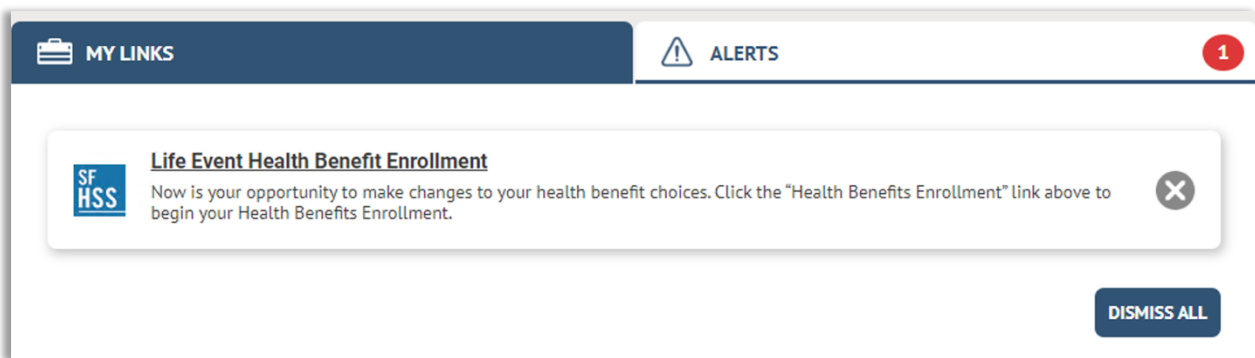

Thank you for using SFHSS' Self-Service system to update your benefits due to a **qualifying life event**. A qualifying life event is an event that allows an SFHSS member to add or drop a dependent outside of Open Enrollment. Changes made due to Life Events must be made **within 30 days** of the qualifying event.

You can also make changes due to **COVID-19**. Follow the steps below and select **Requesting benefit change due to IRS guidance re COVID-19** under **Life Events**. You cannot make any vision plan changes under COVID-19 relief. There is no 30-day deadline for changes made due to COVID-19.

Before you get started, there are a few things to know.

- **What is a qualifying life event?** Go to sfhss.org/changing-benefit-elections.
- **What documents do I need?** If you are going to be *adding or dis-enrolling* a dependent to your existing plans, you will need to have your required documentation ready for upload during the enrollment process.
 - *Certified Marriage Certificate*
 - *Domestic Partner Certification*
 - *Birth Certificate*
 - *Adoption Certificate*
 - *Court Orders for Divorce, Separation, Annulment, Dissolution of Partnership*
 - *Proof of coverage loss*
 - *Death Certificate*
 - *A Social Security number must be provided for each new enrolled member*
- **How long do I have to update my benefits?** You must complete your election and submit your documentation no later than 30 calendar days after the qualifying life event occurs. If the election change process is not completed within 30 days of the life event, you must wait until the next Open Enrollment period in October to make any changes. There is no 30-day deadline for changes made due to COVID-19.

- **What if I made a mistake?** If you make an error during your online enrollment, just click on the breadcrumbs that are found at the top of the page to go back to a previous section. To edit, click on the edit button or the pencil icon  and save your changes.
- **What if I encounter an issue?** Visit sfhss.org-enroll-online where you will find information on how to login and get started, links to information about eligibility, and short videos (30 seconds each) showing you how to make specific updates and elections by topic.
- **What if I exit the system before finishing?** If you exit before submitting your enrollment request, you will need to log back in. When you get back to the **Employee Portal landing page**, you will see an **Alert** indicating that your enrollment is incomplete. Click on **Life Event Benefits Enrollment** to resume enrollment.

- **Problems logging in?** If you experience technical issues accessing your account and cannot resolve with our online resources, call the **Dept. of Technology's Help Desk** at **(628) 652-5000**. City College employees and San Francisco Unified District employees, you must provide the DT help desk your DSW. If you do not know your DSW, contact SFHSS.
- **Questions?** Call SFHSS at (628) 628-4700 or visit sfhss.org/contact-us. Our telephone hours are Monday, Tuesday, Wednesday and Friday from 9am to 12pm and from 1pm to 5pm and Thursday from 10am to 12pm and 1pm to 5pm. Our offices are currently closed to the public.

Kaiser Permanente HMO has no deductibles to keep track of and virtually no paperwork for the services you receive. There are pre-set copays for most covered services, including prescriptions. There is no paperwork to fill out or bills to pay for the services you receive. You do not need a referral for certain specialties, like optometry and obstetrics/gynecology. Members have access to online tools to help you manage your care and communicate quickly with your doctor. Additionally, most medical services are available under one roof (i.e. pharmacy, lab work, specialty care). You can select a Primary Care Physician (PCP) or one will be assigned to you. You can change your doctor at any time. You must live or work in a zip code serviced by the plan. The Evidence of Coverage (EOC) contains a complete list of benefits and exclusions. Trio HMO is made up of a network of local doctors, specialists and hospitals that work closely together to coordinate your care and features a dedicated Concierge Service and Heal (home visits) based on location. California Pacific Medical Center (CPMC) was added to the Trio network in April 2019. Trio HMO has no deductibles to keep track of and virtually no paperwork for the services you receive. You only pay a copayment for most covered services (i.e. doctor visits, urgent care and emergency care). In the Trio plan, your Primary Care Physician (PCP) coordinates your care and refers you to specialists in tandem with Blue Shield and Trio facilities within their medical group/Independent Practice Association (IPA). You can select your own PCP. If you do not, one will be assigned to you. Each member of your family can choose a different physician and medical group/PA. You can change your doctor at any time. To enroll, you must live or work in a zip code serviced by the plan. The Evidence of Coverage (EOC) contains a complete list of benefits and exclusions. Access+ HMO is affordable and predictable - you pay only the copayment for most covered services (i.e. doctor visits, urgent care and emergency care). The plan has no deductibles to keep track of and virtually no paperwork for the services you receive. You can select your own Primary Care Physician (PCP). If you do not, one will be assigned to you. Your PCP coordinates all your care as well as refers you to specialists and hospitals within their medical group/Independent Practice Association (IPA). Blue Shield PPO of Accolade allows you to choose any healthcare provider. If you receive services from an in-network provider, your rate of pocket expenses are less, and claims are submitted for you by your doctor. If you obtain services from an out-of-network provider, you may be required to pay for services directly and submit your own claims. Because the plan does not assign a Primary Care Physician (PCP), you coordinate your own care and do not need a referral to see a specialist. Some services require prior approval (called Prior Authorization) before those services will be covered by the plan. UHC PPO does not have service area requirements.
