Medicare Part D prescription drug coverage†

The amount you pay for drugs will be different depending on:

- The tier your drug is in. There are 6 drug tiers. To find out which of the 6 tiers your drug is in, see our Part D formulary at kp.org/seniorrx or call Member Services to ask for a copy at **1-800-805-2739 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m.
- The day supply quantity you get (like a 30-day or 90-day supply). Note: A supply greater than a 30-day supply isn't available for all drugs.
- Whether you get your prescription filled by one of our retail plan pharmacies or our mail-order pharmacy. Note: Not all drugs can be mailed.
- The coverage stage you're in (deductible, initial, coverage gap, or catastrophic coverage stage).

Important Message About What You Pay for Insulin – You won't pay more than **\$35** for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

Important Message About What You Pay for Vaccines – Our plan covers most Part D vaccines at no cost to you.

Note: Medicare provides Extra Help to pay prescription drug costs for people who have limited income and resources. If you are entitled to Extra Help, the cost-sharing below may not apply to you; instead please refer to the **Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs**.

Deductible stage

Because we have no deductible, this payment stage does not apply to you and you start the year in the initial coverage stage.

Initial coverage stage

If your group plan includes a Coverage Gap, you pay the copays and coinsurance shown in the attached prescription drug coverage chart until your total yearly drug costs reach **\$4,660**. (Total yearly drug costs are the amounts paid by both you and any Part D plan during a calendar year.) If you reach the \$4,660 limit in 2023, you move on to the coverage gap stage and your coverage changes.

If your group plan does not include a Coverage Gap, you pay the copays and coinsurance shown in the attached prescription drug coverage chart until you have spent **\$7,400** in 2023. If you spend \$7,400 in 2023, you move on to the catastrophic coverage stage and your coverage changes.

Catastrophic coverage stage

If your group plan does not include a Coverage Gap, if you or others on your behalf spend **\$7,400** on your Part D prescription drugs in 2023, you'll enter the catastrophic coverage stage. Most people never reach this stage, but if you do, your copays and coinsurance will change for the rest of 2023. You pay the following copays per prescription during the catastrophic coverage stage:

Drug	You pay
Generic drugs	\$4
Brand-name drugs	\$10
Part D vaccines	\$0

Long-term care, plan home-infusion, and non-plan pharmacies

- If you live in a **long-term care facility** and get your drugs from their pharmacy, you pay the same as at a retail plan pharmacy and you can get up to a 31-day supply.
- Covered Part D **home infusion** drugs from a plan home-infusion pharmacy are provided at no charge.
- If you get covered Part D drugs from a **non-plan pharmacy**, you pay the same as at a retail plan pharmacy and you can get up to a 30-day supply. Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details.

For details about your group's Medicare Part D prescription drug coverage, please see the "Medical Benefits Chart (what is covered and what you pay)" located at the front of your **Evidence of Coverage**.

Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from plan providers listed in our **Provider Directory** and **Pharmacy Directory**. But there are exceptions to this rule. We also cover:
 - Care from plan providers in another Kaiser Permanente Region
 - Emergency care
 - Out-of-area dialysis care
 - Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
 - Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers. If you receive non-covered care or services, you must pay the full cost.

For details about coverage rules, including non-covered services (exclusions), see the **Evidence of Coverage**.

Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. You aren't restricted to a particular plan facility or pharmacy, and we encourage you to use the plan facility or pharmacy that will be most convenient for you. To find our provider locations, see our **Provider Directory** or **Pharmacy Directory** at kp.org/directory or ask us to mail you a copy by calling Member Services at **1-800-805-2739 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You must choose one of our available plan providers to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services or at kp.org/finddoctors.

Help managing conditions

If you have more than one ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

Notices

Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details about the processes for making complaints and making coverage decisions and appeals, including fast or urgent decisions for drugs, services, or hospital care.
