Highlights for 2023

Medical, Vision, and Dental

- **Health Net CanopyCare HMO** is celebrating one year of serving SFHSS! Canopy Health, the featured network of CanopyCare HMO, is a network of providers from multiple medical groups and several hospitals across the San Francisco Bay Area. Members can access top specialists who may be outside of their primary care physician’s (PCP) medical group through the Alliance Referral Program which allows members to seek referrals to any specialist across the entire Canopy Health network. CanopyCare HMO is expanding into Sonoma and Napa Counties.* Learn more at [sfhss.healthnetcalifornia.com](http://sfhss.healthnetcalifornia.com).

  *Pending approval from the Department of Managed Health Care.*

- **Kaiser Permanente HMO** has a new facility in San Francisco called **Care Essentials** conveniently located at the Salesforce Transit Center at 425 Mission Street. Kaiser members and people working downtown can get treatment for minor illnesses and injuries, labs and screenings, prescriptions, flu shots, vaccines, and certain tests performed. Please note that emergency and urgent care services are not available at this location. Visit [kp.org/careessentials/sf](http://kp.org/careessentials/sf) to make an appointment.

- **UnitedHealthcare** will solely administer the health benefits for non-Medicare members who have a family member enrolled in UHC Medicare Advantage PPO, beginning on January 1, 2023. Non-Medicare members who had been enrolled in the Blue Shield of California Access+ or Trio HMO Plan, who have a family member enrolled in UHC Medicare Advantage PPO, will be automatically transferred to one of three United Healthcare plans. Contact SFHSS for more information.

- **UnitedHealthcare Medicare Advantage PPO** has a new programs available. These new programs include: coverage for Personal Emergency Response System (PERs), Healthy at Home post-discharge; program that includes meal delivery service, transportation, and in-home personal care, following a qualified inpatient hospitalization, and Rally Coach Programs; coaching and support for weight loss, diabetes prevention, nicotine cessation, and popular lifestyle topics. Visit [whyuhc.com/sfhss](http://whyuhc.com/sfhss) for more details.

- **VSP** has expanded its network to include Walmart Vision and Sam’s Club Vision as in-network providers. Membership is not required at Sam’s Club for exams but is needed to purchase lenses or frames. With the new **VSP LightCare Program**, members who do not need prescription eyewear can now use their regular frame allowance for ready-made non-prescription sunglasses or ready-made non-prescription blue light filtering glasses. For more information, visit [sfhss.org/vsp-vision-plans](http://sfhss.org/vsp-vision-plans).

Well-Being

- Visit [sfhss.org/events](http://sfhss.org/events) regularly to sign up for exercise classes and new Well-Being programs.

- **Get Your Flu Shot**: You can get your flu shot through your health plan. For more information on flu prevention go to [sfhss.org/well-being/flu-prevention](http://sfhss.org/well-being/flu-prevention).
Executive Director’s Message

As a nurse, I can't even begin to count the number of patients I’ve seen who had to recover from a bad injury. If you break your leg, you have to endure weeks in a cast. Simple things you took for granted before like bathing becomes a two person task, if you're lucky enough to have the support, or an awkward feat that takes triple the time. Finally, when it's time to take the cast off, you realize that's when the real work begins. Your leg has been cooped up and your muscles don't function the way you remember. You need to dedicate time to physical therapy before you can feel like yourself again.

Recovering from the pandemic is like recovering from a serious injury. You can't sit back and expect the recovery to just happen. It takes intention to get out and support the cafes, bakeries, restaurants and all your favorite shops and businesses. You conjure up motivation to go to the gym to workout. You set your alarm earlier than you had it set before the pandemic to get yourself up to commute to your workplace to work. Then, you brave those awkward stages of another outbreak or surge where every little symptom you used to disregard gets dissected and analyzed. “Is it COVID or allergies or the cold or flu?” “Should I take an at-home test, PCR or both just to be safe?”

I get it. Recoveries are trying as I’ve witnessed firsthand throughout my career as a nurse. To get there, I visualize the future, then start marching with intention towards reaching that future state. I want to see a vibrant San Francisco again, so I decided to make Fridays my Bikeshare to work day and I've been having lunch at some of my favorite restaurants around City Hall each week.

At the San Francisco Health Service System (SFHSS), we’re obsessed with the future, because we spend the better part of the year working on benefits for next year, 2023. And now, it is up to you! Think about what you want your future state of health to be and take time to honestly evaluate your satisfaction with your health plans and other benefits. Some health plans are stronger in certain areas than others, so choose the plan that best meets your needs. Open Enrollment is the time to actively pause and consider your choices. Did you get the most out of your benefits and use the services to help you improve your health? If not, then it may be time to switch to a plan with programs and services you can and will use.

Our lives have been changed by this pandemic, so please be intentional for this Open Enrollment and for our recovery from this pandemic. What choices are you making to improve your health and the health of your community? Imagine your future state and act with intention to get there!

Be well,

Abbie Yant, RN, MA
Executive Director
**Step-by-Step Enrollment Guide**

**STEP 1:** Are you a New Retiree or do you have a Qualifying Life Event where you need to enroll or update your benefits?

- If you are a New Retiree, go to sfhss.org/new-retiree-enrollment, follow the steps and see Step 7 to book a consultation. Be sure to have your retirement system paperwork and proof of Medicare enrollment ready.
- If you have a Qualifying Life Event, then follow Steps 2 through 7.

**STEP 2:** Do you need to add or remove a dependent? Please review your current dependents and follow the steps below.

- Review dependent eligibility rules on page 24 or on our website at sfhss.org/eligibility-rules
- Complete the Review Dependents page in eBenefits to add dependents or edit existing dependents.
- Save and continue through all the screens and confirm at the end to submit your changes.
- Submit copies of supporting documents for a Qualifying Life Event. New dependents must have supporting documentation submitted with their elections in order to be enrolled (e.g., birth certificate, certified marriage certificate).

**STEP 3:** Are you or your dependent approaching age 65 and about to become Medicare-eligible?

- If YES, and you are not yet enrolled in Medicare Part A & B, you must enroll through the Social Security Administration online at ssa.gov or by calling (800) 772-1213.
- If NO, be sure to apply for Medicare Part A & B at least three months before your 65th birthdate.
- Proof of enrollment in Medicare Part A & B are required to maintain your SFHSS benefits. Review Medicare Basics and FAQs on pages 2 to 4.
- Submit proof of Medicare enrollment by mailing a copy of your Medicare card or letter to SFHSS.

**STEP 4:** Are you making changes to your health plan benefits?

- If yes, review the Service Areas of the medical plans available to you. Non-Medicare retirees, go to page 6. Retirees with Medicare, go to page 7.
- Review the rates for available plans in your area. Non-Medicare retirees go to page 16 (within CA) or page 17 (outside CA). Retirees with Medicare go to page 18 (within CA) or page 19 (outside CA).
- In eBenefits, complete the Choose a Medical Plan page.

**STEP 5:** Are you making changes to your vision benefits?

- Review the Vision benefit options on pages 20 and 21.
- You must be enrolled in a medical plan to receive Vision benefits.
- Enrollment in the VSP Premier Plan requires that all dependents enrolled in medical coverage also be enrolled in the VSP Premier Plan.
- In eBenefits, complete the Enroll in a Vision Premier Plan page.

**STEP 6:** Are you making changes to your dental benefits?

- Review your Dental benefit options and associated costs on pages 22 to 23.
- In eBenefits, complete the Dental Plan Page.

**STEP 7:** If you have a Qualifying Life Event, go online to sfhss.org/ebenefits, to complete and submit your elections. Be sure to click Save and Continue through each screen. You must click Submit at the end in order to complete your enrollment. Otherwise your elections will not be recorded.

To create an eBenefits account, go to sfhss.org/how-to-enroll If you are unable to enroll online, you can also fax or mail your completed Enrollment Application form and documentation to SFHSS (see below).

Our mailing address is 1145 Market Street, 3rd Floor, San Francisco, CA 94103 or fax to (628) 652-4701.

If you are unable to enroll online, you can download an Enrollment Application form at: sfhss.org/benefits/retirees-with-medicare or sfhss.org/benefits/retirees-without-medicare

We are providing consultations by telephone. To make an appointment, go to sfhss.org/qualifying-life-events to schedule a Change in Family Status consultation or sfhss.org/benefits/getting-ready-to-retire to schedule a New Retiree consultation.

For HELP, call San Francisco Health Service System (SFHSS) Member Services at (628) 652-4700 or visit sfhss.org

Our telephone hours are Monday, Tuesday, Wednesday and Friday from 9am to 12pm and 1pm to 5pm and Thursday from 10am to 12pm and 1pm to 5pm PST.
The Social Security Administration (SSA) is the federal agency responsible for Medicare eligibility, enrollment, and premiums. Start by downloading the Medicare and You handbook at medicare.gov.

Medicare is a federal health insurance program administered by the Centers for Medicare and Medicaid Services (cms.gov) for people age 65 years or older, under 65 with Social Security-qualified disabilities or anyone with End Stage Renal Disease (permanent kidney failure requiring dialysis or transplant). The different parts of Medicare help cover specific types of services:

- Medicare Part A: Hospital Insurance
- Medicare Part B: Medical Insurance
- Medicare Part D: Prescription Drug Coverage

All eligible retired members and covered eligible dependents must enroll in Medicare Part A and Part B. Failure to enroll in Medicare by the required deadlines may result in penalties being assessed by SSA and change or loss of medical coverage with the San Francisco Health Service System.

If you are not currently enrolled in Medicare, it is your responsibility to contact the Social Security Administration to apply. You can apply for Medicare three months prior to your 65th birthday or if you have a qualified disability or End Stage Renal Disease.

Medicare Part A: Hospital Insurance
SFHSS rules require all retired members and dependents to enroll in premium-free Medicare Part A as soon as they are eligible. Most people do not pay a premium for Part A because they made sufficient contributions via payroll taxes while working.

Medicare Part A helps cover inpatient care in hospitals, including critical access hospitals and skilled nursing facilities (but not custodial or long-term care). It also helps cover hospice care and some home healthcare. Beneficiaries must meet certain conditions to qualify for these benefits.

You are eligible for premium-free Medicare Part A if you are age 65 or older and have worked and contributed to Social Security for at least 10 years (40 quarters). You may also qualify for Medicare Part A through a current, former, or deceased spouse. If you are under age 65 and have End Stage Renal Disease or a Social Security-qualified disability, you may also qualify for Medicare Part A.

If you are under age 65 with a qualifying disability, Medicare coverage generally starts 24 to 30 months following eligibility. If you have questions about your eligibility for premium-free Medicare Part A, contact the Social Security Administration at (800) 772-1213.

All SFHSS members are required to enroll in Medicare as soon as they become eligible or face penalties.
Medicare Part B: Medical Insurance

SFHSS rules require that all retired members and their dependents enroll in Medicare Part B as soon as they are eligible. Medicare Part B helps cover the cost of doctor and outpatient medical services. Most people pay a monthly premium to the federal government for Part B. The Medicare Part B monthly premium, which is based on your income per CMS regulations, is usually deducted from your Social Security check. If your income decreases after you enroll in Part B, you may be eligible for a Part B premium reduction. For information on Medicare Part B premiums or to request a Part B premium reduction, contact the Social Security Administration.

If you do not enroll in Medicare Part B when you first become eligible, your Part B premium will be higher and penalties may be charged when you do enroll. This higher premium and/or penalty will continue for the entire time you are enrolled in Medicare.

What if I’m not eligible for premium-free Medicare Part A?

If you are not eligible for premium-free Medicare Part A, you are not required to enroll in Medicare Part A. You must submit a statement to SFHSS from the Social Security Administration verifying that you are not eligible for premium-free Medicare Part A. SFHSS still requires you to enroll in Medicare Part B, even if you are not eligible for premium-free Medicare Part A.

What if either I or my dependent did not enroll in Medicare Part A and/or Part B when originally eligible?

If you or a dependent were eligible but did not enroll in Medicare Part A and/or Part B, the Social Security Administration may assess a late enrollment penalty for each year in which you or your dependent were eligible but failed to enroll. SFHSS members and dependents are required to enroll in Medicare in accordance with SFHSS rules, even if they are paying a federal penalty for late Medicare enrollment.

What happens if I get a letter from Medicare or my health plan asking about Creditable Coverage?

If you enroll in Medicare after age 65 or change Medicare plans during Open Enrollment, your plan may ask you for information about your current prescription drug coverage. If you fail to respond timely, CMS may assess a Part D Late Enrollment Penalty (LEP). Contact your new plan or SFHSS if you have questions.

What is the SFHSS penalty for not enrolling in Medicare Part A and B when eligible or for failing to pay Medicare premiums after enrollment?

For Medicare-eligible SFHSS members not enrolled in Medicare or who fail to pay their Medicare premium(s), existing SFHSS medical plan coverage will be terminated and the member will be automatically enrolled in either the Blue Shield of CA PPO 20 Plan or the UHC Non-Medicare, Medicare Eligible and Not Enrolled Plan. For Medicare-eligible dependents not enrolled in Medicare, SFHSS medical coverage will be terminated. Full SFHSS coverage for a member or dependent may be reinstated at the beginning of the next available coverage period after SFHSS receives proof of Medicare enrollment.

The Blue Shield of CA PPO 20 Plan or the UHC Non-Medicare, Medicare Eligible and Not Enrolled Plan significantly increases premium and out-of-pocket costs. Under Blue Shield of CA PPO 20, you will be responsible for paying the 80% that Medicare would have paid for a covered service, plus any amounts above usual and customary fees.

In addition, under both the Blue Shield of CA PPO 20 and the UHC Non-Medicare, Medicare Eligible and Not Enrolled Plans, yearly out-of-pocket limits increase to $10,950. For information on Blue Shield of CA PPO 20, visit sfhss.org/BSC-POPO-Accolade-20.

For information on UHC Non-Medicare, Medicare Eligible and Not Enrolled Plan, visit sfhss.org/unitedhealthcare-ppo-companion-plan.
Medicare Part D: Prescription Drug Insurance

There are two types of Medicare Part D prescription plans: individual and group. Individual Part D prescription drug coverage is purchased directly by an individual from an insurer or pharmacy. SFHSS members should not enroll in any individual Medicare Part D plan. SFHSS members are automatically enrolled in group prescription drug coverage under Medicare Part D when they enroll in any Medicare plan offered through SFHSS. SFHSS medical plans offer enhanced group Medicare Part D prescription drug coverage.

Should either I or my dependents enroll in Medicare Part D?

Do not enroll in any third-party Medicare Part D prescription drug plan. If you are Medicare-eligible, enhanced group Medicare Part D drug coverage is included with your SFHSS Medicare plan.

Private insurance companies, pharmacies, and other entities may try to sell you an individual Medicare Part D prescription drug plan. If you enroll in any private, individual Medicare Part D prescription drug plan, your Medicare coverage will be assigned to that plan and your SFHSS group medical coverage will be terminated.

Am I required to pay a premium for Medicare Part D?

You may be required to pay a Part D premium to the Social Security Administration if your income exceeds a certain threshold. If you are charged a Part D premium, but your income changes and falls below the threshold, contact Social Security to request an adjustment. Medicare enrollees with income exceeding certain thresholds are charged a monthly Part D premium also known as the Income Related Monthly Adjusted Amount (IRMAA). In most cases, this Part D premium will be deducted from your Social Security check.

For information on Medicare Part D premiums, visit medicare.gov/part-d/costs/premiums/drug-plan-premiums.html or call Social Security at (800) 772-1213.

What is the SFHSS penalty if I or my dependent fail to pay a Part D premium to Social Security?

Retirees and dependents who fail to pay a required Part D premium will result in Part D coverage being terminated by the Social Security Administration. Consequently, SFHSS medical coverage will also be terminated. SFHSS members who have lost Part D eligibility due to lack of payment will be enrolled in either the Blue Shield of CA PPO 20 Plan or the UHC Non-Medicare, Medicare Eligible and Not Enrolled Plan and dependent coverage will be terminated. Full SFHSS medical coverage for a member or dependent may be reinstated at the beginning of the next available coverage period after SFHSS receives proof of Medicare Part D reinstatement.

If you are enrolled in Medicare, do not enroll in any outside Part D plans. Prescription benefits are already included in your SFHSS medical plan. Doing so will terminate your coverage.
Retirees

Enrolling in Retiree Health Benefits

NEW Retirees: Don't Miss the 30-Day Deadline. The transition of health benefits from active employee to retiree status does not happen automatically.

You must enroll in retiree health coverage as a retiree by submitting a Retiree Enrollment Application form and supporting documents to SFHSS, by fax (628) 652-4701 or mail, within the required deadlines. Get started by visiting sfhss.org/benefits/getting-ready-to-retire.

As a new retiree, if you do not complete enrollment in retiree health coverage within 30 calendar days of your retirement date, you will only be able to enroll in benefits during the next Open Enrollment period (unless you have a Qualifying Life Event).

New retirees should plan ahead. If you are Medicare eligible, you must be enrolled in Medicare to keep SFHSS benefits.

Your SFHSS retiree premium contributions will be deducted from your monthly pension check. Be sure to review your monthly check to verify that the correct premium contribution is being deducted. If your pension check does not cover your required premium payment, you must make payments directly through the City of San Francisco Payment Portal.

To create an account to make online payments, visit sfhss.org/how-make-payment. You can schedule recurring payments through the portal. There are no service fees for payment by electronic check.

For instructions on how to make online payments, go to sfhss.org/how-make-payment.

All Medicare-eligible retirees and dependents must maintain continuous enrollment in Medicare. To ensure that there is no break in your medical coverage, you must pay all Medicare premiums that are due to the federal government on time.

Open Enrollment is your annual opportunity to change benefit elections for you and your eligible dependents without a qualifying event. Changes made during the October Open Enrollment period become effective January 1 of the following calendar year.

Outside of Open Enrollment, you can only make changes to benefit elections during the plan year if there is a Qualifying Life Event.

To be eligible for retiree health benefits, employees hired after January 9, 2009 must have at least five years of credited service with a City employer: City and County of San Francisco, San Francisco Unified School District, City College of San Francisco, or Superior Court of San Francisco. Other government service is not credited.

Make sure you understand the City Charter rules determining your eligibility and premium contributions before finalizing your retirement date.

And remember...

Depending on your retirement date, there can be a gap between when employee coverage ends and retiree coverage begins. Setting your retirement date at the end of the month will help to avoid gaps in SFHSS coverage.

Medical Plan Options: Retiree or Survivor **without Medicare**

**What is a Health Maintenance Organization?**

An **HMO** is a medical plan that offers benefits through a network of participating physicians, hospitals, and other healthcare providers. A Primary Care Physician (PCP) must be designated to coordinate all non-emergency care and services. There is no plan year deductible. Most services are available for a fixed dollar amount.

- **Health Net CanopyCare HMO**: Access great care across nine Bay Area counties. Canopy Health, the featured network of CanopyCare HMO has five prominent medical groups, 29 hospitals, 70+ urgent care centers, and over 5,500 physicians. The Alliance Referral Program allows you and your covered dependents to seek referrals to any specialist across the entire Canopy Health network. Receive care by your office or home. Eligible employees who live or work within the ZIP codes serviced by CanopyCare HMO can enroll.

- **Blue Shield of CA Trio HMO**: A network of local doctors, specialists and hospitals working closely together to coordinate your care. Trio has a Concierge Service based on location.

- **Blue Shield of CA Access+ HMO**: Your PCP coordinates all your care and refers you to specialists and hospitals within their medical group/Independent Practice Association (IPA). Each family member can choose a different physician & medical group/IPA.

- **Kaiser Permanente HMO**: Most medical services are under one roof. No referrals required for certain specialties, like obstetrics-gynecology.

**What is a Preferred Provider Organization?**

A **PPO** is a medical plan that offers benefits through in-network and out-of-network healthcare providers. PPOs allow for a greater selection of providers however, out-of-network providers cost more.

You are not assigned to a PCP, giving you more responsibility for coordinating your care. Unlike HMOs, PPOs usually result in higher out-of-pocket costs. Generally, you must pay a plan year deductible and a coinsurance percentage when accessing services.

- **Blue Shield of California PPO**

---

**Health Net CanopyCare HMO (non-Medicare)**
- Member and covered dependent must not be eligible for Medicare
- Must live in a plan service area
- Primary Care Physician required
- Change PCP at any time, up to one time per month (certain limitation do apply)

**Blue Shield of CA Trio & Access+ HMO (non-Medicare)**
- Member and covered dependent must not be eligible for Medicare
- Must live in a plan service area
- Primary Care Physician required
- Change PCP at any time, up to one time per month (certain limitation do apply)

**Kaiser Permanente HMO Traditional Plan (non-Medicare)**
- Must not be eligible for Medicare
- Must live in a plan service area
- Fixed co-pays
- Primary Care Physician required
- Change your physician at any time for any reason

| Members with covered Medicare dependents will be enrolled in KPSA HMO. |

**Blue Shield of California PPO (non-Medicare)**
- Member and covered dependent must not be eligible for Medicare
- Live anywhere in the world
- Access covered services worldwide
Retirees

Medical Plan Options: Retiree or Survivor with Medicare

What is a Health Maintenance Organization?

An **HMO** is a medical plan that offers benefits through a network of participating physicians, hospitals and other healthcare providers. A Primary Care Physician (PCP) must be designated to coordinate all non-emergency care and services including access to certain specialists, programs and treatments. There is no plan year deductible before accessing your benefits. Most services are available for a fixed dollar amount (co-payment).

SFHSS offers the following HMO medical plans:

- **Kaiser Permanente Senior Advantage HMO**

What is a Preferred Provider Organization?

A **PPO** is a medical plan that offers benefits through in-network and out-of-network healthcare providers. PPOs allow for a greater selection of providers however, for some PPO plans, out-of-network providers cost more.

You are not assigned to a Primary Care Physician, giving you more responsibility for coordinating your care.

SFHSS offers the following Medicare PPO plan:

- **UnitedHealthcare Medicare Advantage PPO**

For most services offered through the UnitedHealthcare Medicare Advantage PPO plan, members will be responsible for co-pays, versus a coinsurance percentage.

Additionally, receiving services from out-of-network providers will not cost you more.

Although selecting a Primary Care Physician is not required under the UnitedHealthcare Medicare Advantage PPO Plan, you may choose to select one to assist with the management of your care.

Your Medicare dependents will be enrolled along with you in **Kaiser Permanente Senior Advantage**. Your non-Medicare dependents may only be enrolled in **Kaiser Permanente's Traditional HMO Plan**.

Your Medicare dependents will be enrolled along with you in **UnitedHealthcare Medicare Advantage PPO**. Your non-Medicare dependents may only be enrolled in either:

- UnitedHealthcare Doctors Plan EPO
- UnitedHealthcare Select Network Plan EPO, or
- UnitedHealthcare Non-Medicare PPO

Each plan’s Evidence of Coverage (EOC) contains a complete list of benefits and exclusions. If any discrepancy exists between this Guide and the EOC, the EOC shall prevail. EOCs are available for download at sfhss.org.

1 Retirees or survivors of retirees with at least 5 years of service but less than 10 years of service have no City contribution and must pay the full premium rate. Required Retiree/Survivor premium contributions, if any, will be deducted from the member’s monthly pension check. If the pension check does not fully cover premium payments, the member must contact SFHSS to make payment arrangements.

Vision Plans

Retirees and dependents enrolled in a medical plan are automatically enrolled in vision benefits.

Vision Plan Benefits
SFHSS members and dependents enrolled in medical coverage automatically receive vision coverage through VSP Vision Care. If you elect to enroll in the VSP Premier plan and you have dependents enrolled in SFHSS medical coverage, your covered dependents will also be enrolled in the VSP Premier Plan. You may go to a VSP in-network or out-of-network provider. In-network providers now include Walmart Vision and Sam’s Club. Visit www.vsp.com for a complete list of network providers.

Accessing Your Vision Benefits
To receive services from an in-network provider, contact the provider and identify yourself as a VSP Vision Care member before your appointment. VSP Vision Care will provide benefit authorization directly to the provider. Services must be received prior to the benefit authorization expiration date.

If you receive services from a network provider without prior authorization or obtain services from an out-of-network provider (including Kaiser Permanente), you are responsible for payment in full to the provider. You may submit an itemized bill to VSP for partial reimbursement. Compare the costs of out-of-network services to in-network costs before choosing. Download claim forms at www.vsp.com.

Basic Vision Plan Limits and Exclusions
- One set of contacts or eyeglass lenses every other calendar year unless enrolled in the VSP Premier Plan. If examination reveals prescription change of 0.50 diopter or more after 12 months, replacement lenses are covered.
- Eligible dependent children are covered in full for polycarbonate prescription lenses.
- Cosmetic extras, including progressive, tinted or oversize lenses, cost more.

Expenses Not Covered by Plan
- Orthoptics (and any associated supplemental testing), plano (non-prescription) lenses or two pairs of glasses in lieu of a pair of bifocals.
- Replacement of lenses or frames furnished that are lost or broken (except at the contracted intervals).
- Medical or surgical eye treatment (except for limited Essential Medical Eye Care).
- Corrective vision treatments such as, but not limited to, LASIK and PRK laser surgery. You may be eligible for discounts from a VSP doctor.

VSP Basic and Premier Vision Plans
You now have a choice. During Open Enrollment, you can enroll in the VSP Basic Plan or VSP Premier Plan for enhanced benefits.

VSP Lightcare
Both Basic and Premier plans now include VSP LightCare. Members can choose to use their regular frame allowance for ready-made non-prescription sunglasses or ready-made non-prescription blue light filtering glasses, every 12 months.

VSP Vision Care Member Extras
VSP Vision Care offers exclusive special offers and discounts and rebates on popular contact lenses.
VSP also provides savings on hearing aids through TruHearing® for you, covered dependents and extended family including parents and grandparents.

No Medical Plan = No Vision Benefits
If you do not enroll in a medical plan, you and your dependents cannot enroll in VSP Vision Care benefits.

Dental Plans
Dental benefits are a valuable and fundamental part of your overall good health.

PPO Dental Plans
A PPO dental plan allows you to visit any in-network or out-of-network dentist. The plan pays higher benefits (i.e. you pay less) when you go to an in-network PPO dentist.

SFHSS offers the following PPO dental plan:

- Delta Dental PPO

Save Money By Choosing Network PPO Dentists
Delta Dental PPO has two different networks. Ask your dentist if they are a Delta Dental PPO network or Premier network dentist. When you use Delta Dental network dentists, you are only responsible to pay your cost-share for covered services (i.e. deductible and co-insurance, within applicable benefit maximums). Delta Dental's network dentists are not allowed to charge you more for covered services beyond the negotiated rates and fees (balance billing), and your applicable cost-share. If you believe a network provider has charged you more, please call Delta Dental using the telephone numbers indicated under Key Contacts this guide.

If you want to know what you are responsible for paying, please ask your Delta Dental dentist for a pre-treatment estimate before receiving covered services. You can also choose a dentist outside of the PPO and Premier networks. Covered service received by non-Delta Dental dentists will cost you more, and you may be subject to balance billing.

Delta Dental PPO Support for Chronic Conditions
Delta Dental PPO’s SmileWay program features 100% coverage for one annual periodontal scaling and root planing procedure and four of the following (any combination) per calendar or contract year: teeth cleaning and/or periodontal maintenance services for members with specific chronic conditions. Calendar Year Benefit Maximums and deductibles do not apply. To enroll, call Delta Dental PPO directly at (888) 335-8227.

DHMO Dental Plans
Similar to medical HMOs, Dental Health Maintenance Organization (DHMO) plans require that you receive all of your dental care from within a network of participating dental offices. These networks are generally smaller than dental PPO networks.

Before you elect a DHMO plan, make sure that the plan’s network includes the dentist of your choice.

Under these plans, services are covered either at no cost or a fixed co-pay. Out-of-pocket costs for these plans are generally lower than PPO plans.

SFHSS offers the following DHMO plans:

- DeltaCare USA DHMO
- UnitedHealthcare Dental DHMO

Plan Year 2023
Eligibility

The following rules govern which retirees and dependents may be eligible for SFHSS health coverage.

Retiree Member Eligibility

- An employee must meet age and minimum service requirements and have been enrolled in SFHSS health benefits at some time during active employment to be eligible for retiree health coverage. SFHSS calculates service eligibility (requirements may vary).
- If a retiree chooses to take a lump sum pension distribution, retiree health premium contributions will not be subsidized and the retiree will be responsible for the full cost of the premiums (other restrictions may apply). Contact SFHSS for an eligibility assessment of retiree health benefits.
- Newly eligible retirees must enroll in retiree medical and/or dental coverage within 30 days of their effective retirement date.
- To enroll, submit a completed Enrollment Application form and copies of your required eligibility documentation and retirement system paperwork by fax or mail. To download an Enrollment Application form, visit sfhss.org/benefits/retirees-with-medicare or sfhss.org/benefits/retirees-without-medicare.
- Members eligible for Medicare at the time of retirement must also provide proof of Medicare enrollment. Medicare applications take three to four months to process, so plan ahead before your 65th birthday. If you fail to meet required deadlines, you must wait until the next Open Enrollment period to enroll in benefits.
- New retiree coverage will take effect on the first day of the month following the retirement effective date. Depending on your retirement date, there can be a gap between when your employee coverage ends and retiree coverage begins. Setting a retirement date at the end of the month will help avoid a gap in your coverage.
- Contact SFHSS Member Services at (628) 652-4700 at least three months before your retirement date to prepare for enrollment in retiree benefits. You must notify SFHSS, of your retirement date, even if you are not planning to elect SFHSS coverage.

Dependent Eligibility

Spouse and Domestic Partners

A member’s spouse or registered domestic partner may be eligible for SFHSS health coverage. Proof of legal marriage or domestic partnership is required, as well as the dependent’s Social Security number.

Enrollment in SFHSS benefits must be completed within 30 days of the date of marriage or partnership. A spouse or registered domestic partner can also be added during the Open Enrollment period in October.

Natural Children, Stepchildren, Adopted Children

A member’s natural child, legally adopted child, or child placed in adoption with a member and any stepchild who is the natural child, legally adopted child or child placed for adoption with a member’s enrolled spouse or domestic partner are eligible for coverage up to the age of 26.

Coverage ends at the end of the coverage period when the child turns 26.

Enrollment and eligibility documentation must be submitted to SFHSS within 30 days of birth, adoption, Qualifying Life Event or otherwise submitted during Open Enrollment to enroll the child for the subsequent plan year.

See Section B.3.a of the San Francisco Health Service System Member Rules for more details.
Legal Guardianships and Court-Ordered Children

Children under 19 years of age placed under the legal guardianship of an enrolled member, a member’s spouse, or domestic partner are eligible for coverage.

If a member is required by a court’s judgement, decree, or order to provide health coverage for a child, that child is eligible up to age 19.

Coverage terminates at the end of the coverage period in which the child turns 19. The member must provide proof of guardianship, court order, or decree in addition to any other required document(s) and/or timely submission requirements established in the San Francisco Health Service System Member Rules.

Adult Disabled Children

To qualify a disabled adult child (“Adult Child”) as a dependent, the Adult Child must be incapable of self-support because of a mental or physical condition that existed prior to age 26, continuously live with disability after turning 26, and meet each of the following criteria:

1. Adult Child is enrolled in an SFHSS medical plan on their 26th birthday; and
2. Adult Child has met the requirements of being an eligible dependent child under SFHSS member Rules Section B.3 before turning 26; and
3. Adult Child must have been physically or mentally disabled on the date coverage would have otherwise terminated due to age (turning 26), and continue to be disabled from age 26 on; and
4. An Adult Child who qualifies for Medicare due to a disability is required to enroll in Medicare (see SFHSS Member Rules Section J). Members must notify SFHSS of the Adult Child’s eligibility for Medicare, as well as the Adult Child’s subsequent enrollment in Medicare; and
5. Adult Child is incapable of self-sustaining employment due to the physical or mental disability; and
6. Adult Child is dependent on SFHSS member for substantially all of their economic support, and is declared as an exemption on member’s federal income tax return; and
7. Member is required to comply with their enrolled medical plan’s disabled dependent certification process and annual recertification process thereafter or upon request; and
8. To maintain ongoing eligibility after the Adult Child has been enrolled, the Member must continuously enroll the Adult Child in an SFHSS medical plan without interruption and must ensure that the Adult Child remains continuously enrolled with Medicare A/B (if eligible) without interruption.

COBRA Continuation Coverage

The Consolidated Omnibus Budget Reconciliation Act (COBRA), enacted in 1986, allows retirees and their covered dependents, to elect temporary extension of healthcare and dental coverage in certain instances where coverage would otherwise end. These include:

- Children who are aging out of SFHSS coverage,
- Retiree’s spouse, domestic partner, or stepchildren who are losing SFHSS coverage due to legal separation, divorce, or dissolution of partnership,
- Covered dependents who are not eligible for survivor benefits and are losing SFHSS coverage due to the death of an SFHSS member, and
- New retirees who opt to enroll in COBRA dental coverage when they first lose active employee dental benefits

For more information about COBRA, visit sfhss.org/benefits/cobra or contact us at (628) 652-4700.
Eligibility Under City Charter

City Charter provisions regarding retiree health benefits for employees hired after January 9, 2009.

Retirees and Proposition B

Proposition B (approved by San Francisco voters in 2008), amended the City Charter provisions relating to retiree health benefits.

To be eligible for retiree health benefits, employees hired after January 9, 2009 must have at least 5 years of credited service with a City employer: City and County of San Francisco, San Francisco Unified School District, City College of San Francisco or San Francisco Superior Court. Other government employment is not credited.

Under the Charter amendment, employees hired after January 9, 2009 must retire within 180 days of separation from employment to be eligible for retiree health benefits. That means an employee must have the credited service and the age required for retirement at the time of separation from service to qualify for retiree health benefits.

A surviving dependent may be eligible for retiree health benefits if a deceased employee had 10 or more years of credited service with a City employer.

Different premium contribution rates apply for employees hired after January 9, 2009, based on eligibility and years of credited service.

- With at least 5 years but less than 10 years of credited service, the retiree member must pay the full premium rate and does not receive any employer premium contribution.
- With at least 10 years but less than 15 years of credited service, the retiree will receive 50% of the total employer premium contribution.
- With at least 15 years but less than 20 years of credited service, the retiree will receive 75% of the total employer premium contribution.
- With 20 or more years of credited service, or disability retirement, the retiree will receive 100% of the total employer premium contribution.

Employees who separated from service with a City employer before June 30, 2001 and retire after January 6, 2012 will receive the employer health premium contributions in effect at the time of their separation.

If enrolled in SFHSS retiree health benefits administered by SFHSS:

- The retiree member receives 100% of the employer premium contribution as defined by the City Charter.
- The retiree pays the full premium for any other enrolled dependents. There is no employer premium contribution.

Qualifying Life Events Allow You to Change Your Benefits Within 30 Days

You may change health benefits elections outside of Open Enrollment if you have a Qualifying Life Event.

Certain life events count as a Qualifying Life Event where you can modify your benefits elections. Submit your elections and upload all required documentation online using eBenefits, which you can access under Employee Links on the City’s Employee Portal. Visit sfhss.org/how-to-enroll to get started. Your elections and documents are due no later than 30 calendar days after the Qualifying Life Event occurs.

New Spouse or Domestic Partnership
Enroll a new spouse or domestic partner and eligible children of spouse or domestic partner online using eBenefits on the San Francisco Employee Portal. Visit sfhss.org/how-to-enroll to get started. Be sure to upload copies of your certified marriage certificate, certificate of domestic partnership and birth certificate for each child. Your election and required documents must be submitted within 30 days of the legal date of the marriage or partnership. You can also submit an Enrollment Application form and copies of required documentation by fax or mail. Certificates of domestic partnership must be issued in the United States. A Social Security number must be provided for each enrolling family member. Proof of Medicare is also required for a domestic partner who is Medicare-eligible due to age or disability. Coverage for your spouse or domestic partner is effective the first day of the coverage period following receipt and approval of required documentation.

Legal Guardianship or Court Order
Coverage for a dependent under legal guardianship or court order shall be effective the date of court order, if all documentation is submitted to SFHSS by the 30-day deadline. Use eBenefits to submit documentation and enroll online.

Newborn or Newly Adopted Child
Coverage for an enrolled newborn child begins on the child’s date of birth. Your election and required documents must be submitted within 30 days of the birth or date of legal adoption. Coverage for an enrolled adopted child will be effective on the date the child is placed.

SFHSS provides a one-time benefit reimbursement of up to $15,000 to an eligible employee or eligible retiree for qualified expenses incurred from an eligible adoption or eligible surrogacy.

For more details, visit sfhss.org/surrogacy-and-adoption. A Social Security number must be provided to SFHSS within six months of the date of birth or adoption, or your child’s coverage may be terminated. Use eBenefits to submit documentation and enroll online.

Divorce, Separation, Dissolution, Annulment
A member must immediately notify SFHSS and provide documentation in writing when the legal separation, divorce or final dissolution of marriage or termination of domestic partnership has been granted. Coverage of an ex-spouse, stepchildren, domestic partner and children of domestic partner will terminate on the last day of the coverage period of the event date. Use eBenefits to submit documentation and dis-enroll any former dependent(s) online.

Loss of Other Health Coverage
SFHSS members and eligible dependents who lose other health care coverage may enroll within 30 days in SFHSS benefits. Once required proof of loss of other health coverage documentation is submitted to and processed by SFHSS, coverage will be effective on the first day of the next coverage period. Use eBenefits to submit documentation and enroll online.

Obtaining Other Health Coverage
You may waive SFHSS coverage for yourself or a dependent who enrolls in other health coverage by providing proof of alternate coverage on official letterhead within 30 days of the event. If you waive coverage, all coverage for enrolled dependents will also be waived. After submitting the required documentation, your SFHSS coverage will terminate on the last day of the coverage period. Use eBenefits to submit documentation and update your elections online.
Retirees

Moving Out of Your Plan’s Service Area
If you move your residence to a location outside of your plan’s service area, you can enroll in an SFHSS plan that offers service where your new address is located within 30 days. Coverage will be effective the first day of the coverage period following receipt and approval of required documentation. Therefore, it is important to notify SFHSS before you move. If you do not contact us in advance of your move, a lapse in coverage may occur from the date you notify SFHSS and the effective coverage date. Please note that if your new residence remains within your current SFHSS plan’s service area, you cannot enroll in a different SFHSS plan, as a result of the change in residence.

Death of a Dependent
In the event of the death of a dependent, notify SFHSS as soon as possible and submit a copy of the death certificate within 30 days of the death to disenroll the deceased dependent.

Death of a Member
In the event of a member’s death, the surviving dependent or survivor’s designee should contact SFHSS to obtain information about eligibility for survivor health benefits.

Upon notification, SFHSS will mail instructions to the spouse or partner, including a list of required documents for enrolling in surviving dependent health coverage.

If the deceased member qualifies for retiree benefits, the surviving dependent may be eligible to continue benefits or will have to take COBRA.

A surviving spouse or partner who is not enrolled on the deceased member’s health plan at the time of the member’s death may be eligible for coverage but must wait to enroll during the next Open Enrollment period.

Responsibility for Premium Contributions
Changes in coverage due to a qualifying event may change premium contributions. If your premium is deducted from your pension check, review your pension check statement to make sure premium deductions are correct. If your premium deduction is incorrect, contact SFHSS. You must pay any premiums that are owed. Unpaid premium contributions will result in termination of coverage.

Failure to notify SFHSS of your dependent(s) ineligibility can result in significant financial penalties equal to the total cost of benefits and services provided to ineligible dependent(s).
Retirees Living or Traveling Outside of the United States
For Medicare and non-Medicare Members.

Traveling Outside of Your Plan's Service Area
Contact your health plan before traveling to determine available coverage and for information about how to contact your plan from outside of the United States. In general, if you are traveling outside of the United States:

- **Health Net CanopyCare HMO** only covers urgent and emergency services, when outside of the service area.
- **Blue Shield of California's Trio HMO and Access+ HMO** only cover emergency services outside of California service areas.
- **UnitedHealthcare Medicare Advantage PPO and UHC Non-Medicare PPO** plans only cover urgent and emergency services outside of the service area.
- **Kaiser Permanente HMO and Kaiser Permanente’s Senior Advantage HMO** plans only cover urgent and emergency services outside of the service area.
- **Blue Shield of California PPO** plan offers coverage for out-of-network covered services, at a higher share of cost.
- **UnitedHealthcare Doctors Plan EPO and UnitedHealthcare Select Network EPO** plans only cover urgent and emergency services outside of their networks.

In most cases, Medicare does not provide coverage for healthcare services obtained outside of the United States. For more information visit: medicare.gov/coverage/travel.

Medicare Enrollment is Required for Retirees Traveling or Residing Temporarily Outside of the United States
To ensure continued healthcare coverage when you return to the United States, you must maintain your Medicare Part B and Part D enrollment while you are out of the country. If you choose to cancel your Medicare Part B and/or Part D, or if you are dropped because you have not paid Medicare premiums, you may have a penalty assessed by Social Security, when you re-enroll. Failure to maintain continuous enrollment in Medicare will also disrupt the coverage you have through SFHSS.

Retirees Residing Permanently Outside of the United States
Non-Medicare retirees (under age 65) who reside permanently outside of the United States must either enroll in the Blue Shield of CA PPO Out-of-Area plan or waive San Francisco Health Service System coverage.

Medicare enrollment is not required for retired members over 65 residing outside of the United States (foreign residents). However, healthcare services within the United States will not be covered for foreign residents who are not enrolled in Medicare.

Members who choose to not enroll in Medicare must complete an SFHSS form certifying that they are waiving Medicare enrollment and waiving health coverage within the United States.

If you are currently enrolled in a Medicare plan offered through SFHSS, and you are planning to move outside of the United States, you must contact SFHSS Member Services at (628) 652-4700 for information on other health plan options that may be available to you which are different than those available in the United States.

Before you drop Medicare, read this!
Before you disenroll in Medicare, the federal government may charge you significant penalties if you disenroll from Medicare and decide to re-enroll in the future.
Legal Notices

**Infertility Services**
Whether you’re starting a family now or in the future, SFHSS has in fertility treatment coverage available to all members regardless of age, race, relationship status or sexual orientation on all non-Medicare medical plans. Members must first consult their obstetrician or gynecologist to develop a plan to move forward with obtaining these benefits.

**Women’s Health and Cancer Rights Notice**
The Women’s Health and Cancer Rights Act of 1998 requires that your medical plan provide benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between breasts, prostheses, and complications resulting from a mastectomy, including lymphedema. Contact your medical plan for details.

**Use and Disclosure of Your Personal Health Information**
SFHSS maintains policies to protect your personal health information in accordance with the federal Health Insurance Portability and Accountability Act (HIPAA). Other than the uses listed below, SFHSS will not disclose your health information without your written authorization:
- To make or obtain payments from plan vendors contracted with SFHSS
- To facilitate administration of health insurance coverage and services for SFHSS members
- To assist actuaries in making projections and soliciting premium bids from health plans
- To provide you with information about health benefits and services
- When legally required to disclose information by federal, state, or local law (including Worker’s Compensation regulations), law enforcement investigating a crime, and a court order or subpoena
- To prevent a serious or imminent threat to individual or public health and safety

If you authorize SFHSS to disclose your health information, you may revoke that authorization in writing at any time. You have the right to express complaints to SFHSS and the Federal Health and Human Services Agency if you feel your privacy rights have been violated. Any privacy complaints made to SFHSS should be made in writing.

This is a summary of a legal notice that details SFHSS privacy policy. The full legal notice of our privacy policy is available at sfhss.org/sfhss-privacy-policy-and-forms. You may also contact SFHSS to request a written copy of the full legal notice.

**Patient Protection Provider Choice Notice**
Participating SFHSS HMO plans require the designation of a primary care provider (PCP). You have the right to designate any primary care provider who participates in the health plan’s network and who is available to accept you or your family members. Until you make a PCP designation, the HMO insurance provider you elect may designate one for you. For information on how to select a PCP, and for a list of the participating PCPs, contact your health plan or visit their website. For children, you may designate a pediatrician as the PCP. You do not need prior authorization from your health plan or from any other person (including your PCP) in order to obtain access to obstetrical or gynecological care from a health care professional within your PCP’s medical group who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit my.kp.org/ccsf, blueshieldca.com/sfhss, healthnet.com/sfhss, or contact the number on the back of your insurance card.

**Health Insurance Portability and Accountability Act (HIPAA) Special Enrollment Notice**
If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward you or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, contact SFHSS at (628) 652-4700.
Medicare Creditable Coverage

Medicare Part D Prescription Drug Notice

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with San Francisco Health Service System (SFHSS) and about your options under Medicare’s prescription drug coverage.

This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. SFHSS has determined that the prescription drug coverage offered by the health plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare Drug Plan.

What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?

If you do decide to join a Medicare drug plan, your SFHSS coverage will be affected. Benefits will not be coordinated with a Medicare Part D plan. If you do decide to join a Medicare drug plan and drop your SFHSS prescription drug coverage, be aware that you may not be able to get this coverage back (does not apply to active employees or dependents).

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your coverage with SFHSS and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without prescription drug coverage that’s at least as good as Medicare’s prescription drug coverage, your monthly premium may go up by at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium.

You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage.

In addition, you may have to wait until the following Open Enrollment period in October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage

Contact SFHSS at (628) 652-4700 for further information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, or if this coverage through SFHSS changes. You also may request a copy at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. If Medicare-eligible, you’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage, visit medicare.gov or call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help. They can be reached at (800) MEDICARE (800-633-4227). TTY users should call (877) 486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information, visit Social Security at ssa.gov or call (800) 772-1213. (TTY: 1 (800) 325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty). Visit sfhss.org/creditable-coverage for more details.
Children’s Health Insurance Program (CHIP), Premium Assistance Under Medicaid Notice, and HIPAA Special Enrollment Notice

Medicaid or Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP benefits and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP, contact your State Medicaid or CHIP office to find out if premium assistance is available.

For a complete list and contact information of states participating in the CHIP and Medicaid Assistance program, visit sfhss.org/CHIP.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial (877) 543-7669 or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a special enrollment opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call (866) 444-3272.

Health Service Board Achievements

Throughout the shelter-in-place public health order due to the COVID-19 pandemic, the Health Service Board complied with all health orders, guidance, and directives from the Department of Public Health and the Department of Human Resources. Monthly Board meetings were held in San Francisco City Hall and publicly broadcast with the support of SFGov TV and online via the WebEx platform.

Return to City Hall

On March 10, 2022, the Health Service Board conducted the first hybrid Health Service Board Meeting. With the help of SFHSS Staff support, SFGov TV, and the commitment of the Commissioners, members of the public were welcomed to join virtually or in person at City Hall. The Commissioners are commended for their diligence to navigate hybrid meetings to ensure access to all. The Board continues to host hybrid meetings in line with all health orders.

Updated Policies and Procedures

The Governance Committee oversees the governance policies. The Committee reviews Board policies every three years and began its review in November 2021. The full Board approved the updated Health Service Board Governance Policies and Terms of Reference on February 10, 2022. The Board completed their Self Evaluation on March 10, 2022, and the Annual Employee Performance Evaluation on April 14, 2022.

Board Education

The Board completed annual education survey in December 2021. The Governance Committee reviewed the results and developed the 2022 Education Plan, which was presented and approved by the full Board at the February 10, 2022 meeting. The Board completed training on Genomics, Pharmacy: High-Cost Drugs, and Addiction Services. Following the approval of the 2023-2025 HSS Strategic Plan, the Health Service Board will draft and approve a 2023-2025 Education Plan that aligns with the updated HSS Strategic Plan.

Strategic Planning

The Health Service Board Strategic Planning Special Meeting on April 28th brought together the Health Service Board, SFHSS Leadership, Employers, Retirees, the Department of Human Resources, Controller’s Office, vendor partners, and Aon experts for a full day of information sharing. The convening featured presentations on Mental Health and Primary care as well as a select panel of citywide partners sharing stories and experiences recording the health and well-being of their workforce. Two guest speakers from HSS Medicare Advantage Plans presented at the June 9th Health Service Board meeting regarding the future state of retiree health care. The Board endorsed and approved the San Francisco Health Service System 2023-2025 Strategic Plan in the fall of 2022.

Health Service Board Approval on Benefit and Plan Enhancements

- A 3.22% aggregate projected increase cost for medical, vision, dental, life insurance and long-term disability insurance.
- A rate decrease of 10.4% for Health Net CanopyCare HMO.
