1. Introduction

1.1 **The San Francisco Health Service System (SFHSS).**

The San Francisco Health Service System (SFHSS) executes all process phases related to employee benefit operations and administration of employee benefits for over 139,000 individuals, including both active and retired employees of the City and County of San Francisco (or “City”), the San Francisco Unified School District (SFUSD), the Community College of San Francisco (CCD), and the San Francisco Superior Court (or “Courts”), and their covered dependents (collectively, “Members”).

- a) SFHSS is one of the twenty-seven (27) operational departments of the consolidated City and County of San Francisco.
- b) SFHSS is dedicated to providing sustainable and quality health, dental and vision benefits, and to enhancing the whole-person health and wellbeing of our members (see *SFHSS Strategic Plan 2023-2025* at <https://sfhss.org/sfhss-strategic-plan-2023-2025>).
- c) SFHSS also offers supplemental group-term life and AD&D, short-term disability, accident, critical illness, and other voluntary benefit insurance options (<https://sfhss.org/your-benefit-plans>).
- d) SFHSS is comprised of six (6) divisions: Administration, Communications, Enterprise Systems and Analytics (ESA), Finance & Contracts, Member Services (MBS), and Well-being (<https://sfhss.org/employee-group/sfhss-divisions>).

1.1.1 *SFHSS Member Services Division (MBS).* The SFHSS Member Services Division (MBS) handles day-to-day enrollment transactions, provides benefits decision support to Members, coordinates premium contribution transactions with the SFHSS Finance & Contracts Division, and acts as a liaison between Members (see Section 1.2, below), City Departments, and health benefit plans and vendors. MBS is also responsible for a monthly reconciliation of enrollment data with both plans and participating employers (City, SFUSD, CCD, Courts), and processing enrollment changes (e.g., births, deaths, leaves, new hires and retirements). MBS answers direct calls from Members, responds to written correspondence from Members, and meets both in-person and virtually with Members during standard SFHSS office hours, Monday through Friday, 8:00AM to 5:00PM (Pacific Time), excluding City Holidays (*available at <https://www.sf.gov/information--city-and-county-san-francisco-holiday-schedule>*).

1.1.2 *Peak Call Volume.* MBS experiences the highest (peak) call volume (i) in June and July (when the majority of City employees retire from public service), (ii) in October (our annual health benefits Open Enrollment Period) and (iii) in November and December (when MBS processes health benefit changes from Open Enrollment, in addition to other day-to-day responsibilities). These are the three (3) peak call volume periods during which SFHSS experiences the greatest need for Call Center Services (see Section 1.2.3. “MBS Call Center Volume” for detailed historical call data).

1.1.4 SFHSS Member Population. SFHSS executes all process phases related to benefit operations and administration of non-pension benefits (including health, dental and vision) and manages well-being services for and outreach for over 139,000 covered lives. Members include employees and retirees from the four participating employer groups (City, SFUSD, CCD, and Courts) as well as their dependents. Members have diverse language needs with the need for interpretation of languages which include, but are not limited to, Spanish, Japanese, Mandarin, Cantonese, Tagalog, Hindi, and Russian.

Due to steady increases in call volume and decreased staffing levels since 2021 (a) SFHSS prioritized call center operations over both (b) administrative and transactional work and (c) and (d) consultations and appointments.

1.2.4 MBS staff answer calls between 9:00 AM and 5:00 PM (PT) on weekdays excluding observed City Holidays, with a later start on Thursdays (*see* Section 2.5.5, below).

- Call volumes increase significantly during the annual Open Enrollment Period.
- In CY2024 operations staff received over 50,000 calls and provided over 4,800 Members with in-person support, however MBS experienced an abandonment rate of 8.14% with an average speed-of-answer of three (3) minutes, eight (8) seconds.

The following is a summary of MBS call data broken down by month between January 2019 and April 2025:

1.2.5 MBS Call Categories. Calls to the MBS call center generally fall into three overarching categories:

- Confirmation and information,
- General eligibility review and payment processing, and
- Case review with trouble shooting.

Calls in CY2024 spanned the following subject areas or topics:

Call Topic	% of Calls	Call Category
▪ Eligibility or Enrollment ³	36.02%	Confirmation/ information
▪ Retirement or Medicare ⁴	17.37%	Confirmation / information and general eligibility review
▪ Benefits ⁵	15.44%	Confirmation / information and general eligibility review
▪ Payments/Refunds/Deduction ⁶	9.85%	general eligibility review and payment processing
▪ Open Enrollment ⁷	8.19%	Confirmation/ information and general eligibility review
▪ General Information ⁸	2.72%	Confirmation/ information
▪ Demographic and Address Changes ⁹	3.42%	Confirmation/ information

³*Enrollment Call Example.* A typical enrollment call may include a Member who is a newly hired employee asking whether they are enrolled with their elected health plan. Although the Member is enrolled in the plan, by the following pay-period from the date the Member has completed an application, it may take the health plan a few weeks to mail a new enrollee a membership card. Call center staff would look up the member's information in the HSS eligibility system and confirm for the Member that their enrollment has been processed. The call center staff may also inform the Member where to see their enrollment information on the Employee Portal site. This would be an example of a 'confirmation and information' call.

⁴*Retirement or Medicare Call Example.* Generally, Members will call HSS for retirement consultations, prior to their retirement. As noted above, the highest volume of these calls occurs in June and July each year. These calls involve explaining retiree benefits, costs and variety of available retiree benefits, and the requirement for the Member to enroll in Medicare. This would be an example of a 'confirmation and information' call.

⁵*Benefits Call Example.* The most common Benefits calls are from Members asking for information on the different plans offered by SFHSS and/or the cost of those benefits (premium costs) for them. The benefits in questions could include medical, dental, vision benefits, voluntary benefits, and Healthcare and Dependent Care Flexible Spending Accounts. For voluntary benefits questions, Members are referred to our outside/third-party voluntary benefits administrator, Workterra.

⁶*Payment Call Example.* Members also call SFHSS to make payments toward their benefit premiums. Call center staff provide the Member the ways in which payment can be made and guide them through the online portal process should the member choose to pay online. Members are also encouraged to sign up for autopay to avoid late payments (late payments could result in termination of coverage).

⁷*Open Enrollment Call Example.* During Open Enrollment, Members often call to find out about the features of each plan that is offered. They often request comparison information, including costs associated with different levels of coverage. Using the information in the published benefit guides, call center staff inform the Members of the different benefits available and associated costs. Call center staff may also provide a referral to a specific plan-specific office hours so that the Member can get in-depth information directly from plan representatives.

⁸*General Information Call Examples.* General Information calls are overwhelmingly focused on office hours, key contact and/or location information of other City departments. These calls may include requests for information on and referrals to other City departments (like the employee's own human resources department or the City's retirement department).

⁹*Demographic and Address Information Call Example.* For active employee Members requesting an update to their demographic information, the caller is referred to their human resources department and/or to the online employee dashboard for address updates (SF My Hub portal). For retired Members, the caller is referred to the SFHSS website to complete a 'Change of Address' form. The Retired Member is also informed that it may take up to a week to process

Call Topic	% of Calls	Call Category
▪ Misc./Uncategorized ¹⁰	7.0%	N/A

More information on MBS call center metrics is available at <https://sfhss.org/sites/default/files/2025-04/April%2010%2C%202025%20SFHSS%202024%20Annual%20Report.pdf>.

If any additional current or historical call center metrics or data are necessary for your proposal, please submit a question to SFHSS in writing (*see* Section 3.3. “RFP Questions and Requests for Clarification”).

their requested changes. They are informed that if their newly listed address is outside of the member’s selected health plan service area, the Member may be required to make a change to their health plan enrollment.

¹⁰ SFHSS will work with the selected Respondent to prepare the call center for any calls that do not fall into the aforementioned seven (7) most common call types. Often these calls may be associated with a special project, an appeal, or audit being conducted by SFHSS (such as our Dependent Eligibility Verification Audit, or “DEVA”, whereby SFHSS confirms whether dependent spouses and domestic partners are still eligible for benefits). Calls of this nature would be referred to SFHSS Member Services or a third-party vendor.

2. Scope of Services

This scope of services shall serve as a summary of the work SFHSS expects to be performed by the selected Respondent as a result of this RFP. It is not a complete listing of all services that may be required. The selected Respondent will work closely with and be directly managed by the SFHSS Member Services Division and will be expected to meet with SFHSS on a weekly basis during implementation and peak call volume periods and on a monthly basis at minimum during non-peak periods as determined by SFHSS.

2.1 Overview of Services.

2.1.1 Inbound Calls. The selected Contractor will receive inbound calls solely from Members based on their progression and selection(s) through the City's interactive voice response (IVR) system and in accordance with the scope of work. In the event a caller is routed to the selected Contractor, Contractor will ensure that a live, fully trained, customer service representative (CSR) will serve as the initial contact for all calls.

2.1.2 Outbound Calls. Outbound calls made by the Selected Contractor will be strictly limited to Level 1 Service area topics (*see* RFP Sec. 2.3.1.) and may include calling back a Member for whom Level 1 Service area needs required additional research and/or internal consultation by the selected Contractor. In any case where a Member requires assistance for topics which are not listed under Level 1 Services, the Contractor shall warm transfer the Member to the City.

2.2 Current MBS Call Operations and Backlog and Reallocation of Resources.

During high peak call times, MBS staff efforts focus on call center operations to minimize the impact to Members [Section 1.2.3 (A), above]. This change in operational focus has been at the expense of MBS administrative tasks, such as transaction processing workstreams and vendor reconciliation reports [Section 1.2.3 (B), above]. De-prioritization of Section 1.2.3. (B) administrative tasks result in a higher number of errors and a need for more retroactive adjustments to member premiums and payments to health plans.

To manage the volume of incoming calls MBS turned on a voicemail service through which Members are able to leave a voicemail after being on hold for twenty (20) minutes. These voicemails are then returned the following day by MBS staff. The following is a breakdown of MBS call center operations from January through April of 2025 following this reallocation of call center resources:

Metric	Jan	Feb	Mar	Apr
▪ Number of Calls Received	6,859	3,024	2,542	2,421
▪ Number of Calls Handled	2,103	2,528	2,193	1,983
▪ Number of Calls Abandoned	1,986	330	318	436

Metric	Jan	Feb	Mar	Apr
▪ Percentage of Calls Abandoned	28.95%	10.91%	12.51%	18.01%
▪ Voicemails Received	1,180	163	138	263
▪ Number of Staff Assigned to the Phones	6	6	6	6
▪ Average Number of Calls per Staff Member	351	421	366	331
▪ Average Handle Time (in minutes)	0:06:51	0:06:20	0:06:43	0:06:53

2.3 Call Center Support and SFHSS MBS Service Levels

4. Evaluation Criteria

This section describes the guidelines used for analyzing and evaluating Responses. SFHSS intends to select a Respondent that provides the best overall qualifications, inclusive of cost and budget considerations. This RFP does not in any way limit SFHSS' right to solicit contracts for similar or identical services if, in the sole and absolute discretion of SFHSS, it determines the responses received are inadequate to satisfy its needs.

4.1 Proposal Deadline and Review of Minimum Qualifications

SFHSS will determine, upon receipt of Proposals, in its sole discretion, whether Respondents have met the Minimum Qualifications (Sec. 3.1). Should SFHSS require additional information from any Respondent to confirm Minimum Qualifications, SFHSS will notify Respondent within ten (10) working days of receipt of Proposal. Respondent will then have five (5) working days to submit additional information to SFHSS.

If it is determined that Respondent does not meet the Minimum Qualifications, Respondent's Proposal will be deemed non-responsive and there will be no further review, either by SFHSS or the Evaluation Panel. However, SFHSS reserves the right, in its sole discretion, to waive minor administrative irregularities.

4.2 Evaluation Panel

If a Respondent meets all deadlines (Section 3) and meets the Minimum Qualifications (Sec. 3.1), as determined by SFHSS, SFHSS will submit Respondent(s) Proposal(s) to a panel of SFHSS-selected subject-matter experts for evaluation (the "Evaluation Panel").

The Evaluation Panel will review each minimally qualified and responsive Proposal. Collaborative evaluation of Proposals will only be permitted so long as all members of the Evaluation Panel are present in person, by phone, by video conference, or a combination thereof ("Evaluation Panel Discussions").

City representatives including SFHSS employees may serve on the Evaluation Panel responsible for evaluating Respondents and rating each Proposal. The identities of the Evaluation Panel, participating members and any subject-matter experts (SME) will remain confidential throughout the RFP process, with the exception of Oral Interviews (if conducted), whereby members of the Evaluation Panel and any observers to the RFP process may be identified via Microsoft Teams/WebEx or video conference, or upon conclusion of the RFP, whereby the names of the members of the Evaluation Panel may be made available.

4.3 Oral Interviews

At SFHSS's sole discretion following the review and evaluation of the Proposals, SFHSS may invite Respondent(s) to an oral interview before the Evaluation Panel (Oral Interviews).

4.3.1 The Oral Interviews will be conducted virtually. If conducted by SFHSS, Oral Interviews will be held via Microsoft Teams and will be recorded by SFHSS.

Recordings will be subject to the San Francisco Sunshine Ordinance (San Francisco Administrative Code Sec. 67.249 (e), <https://www.sfgov.org/sunshine/>).

SFHSS may provide questions to Respondent(s) in advance of the Oral Interviews. SFHSS may also determine the types and numbers of personnel from Respondents that will be allowed to participate in the Oral Interviews.

4.3.2 If conducted, Oral Interviews will be scheduled between **July 8, 2025 and July 10, 2025 between the hours of 8:00 AM and 5:00 PM (PT)**. Dates may be subject to change.

4.3.3 SFHSS reserves the right to select and recommend the highest-ranking Respondent(s) without conducting Oral Interviews.

4.3.4 *Requests for Clarification.* In lieu of or in addition to Oral Interviews, SFHSS may issue written Request for Clarification and provide supplemental questions to qualified Respondent. At any time during the Proposal evaluation process, SFHSS may require a Respondent to provide a written clarification regarding its Proposal. Nonetheless, SFHSS reserves the right to make an award without further clarifications of Proposals received.

4.4 Final Ranking and Scoring Announcement

SFHSS will announce its final ranking and scoring following review by the Evaluation Panel and/or following the Oral Interviews (if conducted) on the SFHSS website at <https://sfhss.org/RFPs> and via email to each Respondent's Authorized Representative.

4.5 Proposal Provisions and Reservation of Rights by City

4.5.1 *Disposition of Proposals, Public Disclosure and Confidentiality.* Upon opening, all Proposals in response to the RFP shall become the exclusive property of SFHSS and may be subject to public disclosure pursuant to the San Francisco Sunshine Ordinance (San Francisco Administrative Code Sec. 67.24(e)). In accordance with San Francisco Sunshine Ordinance, contracts, bids, responses to requests for proposals, Proposals, and all other records of communications between the officers and employees of SFHSS, members of the Evaluation Panel, and persons or firms seeking contracts, including but not limited to respondents, prospective bidders, and incumbent providers of in-scope services, shall be open to inspection immediately after a contract has been awarded.

Nothing in this request for proposals requires the disclosure of the net worth of a private person or organization or other proprietary financial data submitted for qualification for a contract or other benefit until, and unless, that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

4.5.2 *Confidentiality.* If a Respondent believes that any portion of its Proposal is exempt from public disclosure under the San Francisco Sunshine Ordinance or applicable California Public Records law (e.g., The California Public Records Act (CPRA) (California Government Code sections 7920.000 *et seq.*), such portion may be marked "CONFIDENTIAL". SFHSS may deny public disclosure of any portions so designated and will work with Respondent to preserve confidentiality of documents. This may include but is not limited to requiring a

Respondent to execute a limited indemnification and hold-harmless agreement with SFHSS, or requesting a Temporary Restraining Order (TRO or protective order) to enjoin the City/SFHSS from disclosing. The submittal of a Proposal with portions marked CONFIDENTIAL shall constitute the Respondent's agreement, in consideration for SFHSS' willingness to receive such response, to reimburse SFHSS for, and to indemnify, defend, and hold harmless SFHSS, the Health Service Board (or HSB), the City and County of San Francisco, its officers, fiduciaries, employees, and agents from and against:

- a. any and all claims, damages, losses, liabilities, suits, judgments, fines, penalties, costs and expenses including, without limitation, attorneys' fees, expenses and court costs of any nature whatsoever (collectively, "Claims") arising from or relating to SFHSS' nondisclosure of any such designated portions of a Proposal; and
- b. (b) any and all Claims arising from or relating to SFHSS' public disclosure of any such designated portions of a Proposal if disclosure is deemed required by law or by court order.

4.6 Contract Negotiation.

Following the announcement of the final ranking, SFHSS will commence contract negotiations with the highest-ranked Respondent.

If SFHSS is unable to negotiate a satisfactory contract with the highest-ranked Respondent within a reasonable time, or if the highest-ranked Respondent deviates materially from the terms of the RFP including all addendum, amendments and attachments thereto, SFHSS, in its sole discretion, may terminate negotiations with the highest-ranked Respondent and begin contract negotiations with the next highest ranked Respondent.

4.7 Other Terms and Conditions.

4.7.1 The selection of a Respondent for contract negotiations shall not imply acceptance by SFHSS of all terms of the response, which may be subject to further negotiation and approvals before SFHSS may be legally bound thereby.

4.7.2 *Approved City Vendor.* The selected Respondent agrees to become an approved city vendor within (10) days of award. Respondent can apply without having a SF City Supplier ID (see <https://sfgov.org/oca/Qualify-Do-Business>).

4.7.3 Respondents agree to meet the applicable terms of the City-approved service contract (Appendix C) and the Business Associates Agreement (Appendix E). If a satisfactory contract cannot be negotiated in a reasonable time with the selected Respondent, then the City and SFHSS, in its sole discretion, may terminate negotiations and begin contract negotiations with any other remaining Respondents, or reissue a subsequent RFP, a Request for Quote, a Request for Qualifications, or a mini-RFP, or it may determine that the project and services will not be pursued.

4.7.4 *Conflict of Interest.* SFHSS cautions Respondents that the California Government Code Section 1090 conflict of interest prohibition pertaining to public officials and government employees has been interpreted to prohibit Contractor s (vendors/suppliers) from being financially interested in any contract that they help create. It is the sole responsibility of each

Respondent, and their employees/Contractors, to determine whether such a conflict of interest exists or may exist.

Respondent, and staff, will be required to agree to comply fully with and be bound by the applicable provisions of state and local laws related to conflicts of interest, including Section 15.103 of the City's Charter, Article III (Conduct of Government Officials and Employees), Chapter 2 (Conflict of Interest and Other Prohibited Activities) of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California. Respondent, Account Executive, and key staff will be required to acknowledge that it is familiar with these laws; certify that it does not know of any facts that constitute a violation of said provisions; and agree to immediately notify the City if it becomes aware of any such potential conflicts during the term of the Agreement.

Individuals who will perform work for SFHSS on behalf of Respondent might be deemed Contractors under state and local conflict of interest laws. If so, such individuals will be required to submit a Statement of Economic Interests, California Fair Political Practices Commission Form 700, to the City within ten calendar days of the City notifying the successful Respondent that the City has selected Respondent.

4.7.5 *Requests for Clarification.* At any time during the Proposal evaluation process, SFHSS may require a Respondent to provide a written clarification regarding its Proposal. Nonetheless, SFHSS reserves the right to make an award without further clarifications of Proposals received.

4.7.6 *Contract Delay Contingency.* In the event the implementation date under an agreement resulting from this RFP is delayed until a later year for any reason, the parties shall make a good faith effort to maintain the contractual relationship and to amend the applicable agreement as necessary to address the delay. In this event, SFHSS also reserves the right to terminate the applicable agreement at its sole discretion.

4.7.7 *Cancellation.* Should Respondent wish to cancel, revise, or rescind its Proposal, a written letter so stating must be received by SFHSS via email (patrick.chang@sfgov.org, cc: michael.visconti@sfgov.org) before the Deadline for Proposals. Should respondent wish to revise a Proposal, the revised Proposal must be received before the Deadline for Proposals. In no case will a statement of intent to submit a revised Proposal, or commencement of a revision process, extend the Deadline for Proposals for any Respondent.

4.7.8 *Validity of Response.* Any Proposal must remain valid for a period of not less than ninety (90) days from the date of submission. This includes services, pricing, as well as the proposed staffing assignments.

4.7.9 *Expenses.* There is no expressed or implied obligation for SFHSS to reimburse any Respondent for expenses incurred in responding to the RFP. SFHSS reserves the right to retain all submitted questions and responses to the RFP and use any information or ideas contained therein.

4.7.10 *Authorized Communications.* Respondent will direct all communications, in writing, via email, to michael.visconti@sfgov.org, cc: patrick.chang@sfgov.org.

4.7.11 *Unauthorized Communications.* Respondents are precluded from contacting other SFHSS staff, the HSB, members of the Evaluation Panel, or any partners or consultants of SFHSS, including but not limited to other City employees, representatives, or officials, regarding the RFP. Respondents are precluded from issuing news releases, social media postings, media releases, or other similar public releases of information regarding the RFP or the contents herein without prior written approval from SFHSS are prohibited. Failure to adhere to the prohibition on unapproved communications may result in disqualification from the RFP.

4.7.12 *Rejection of Proposal.* SFHSS reserves the right to consider as acceptable only those Proposals submitted in compliance with all the requirements set forth in this RFP, all Appendices thereto, the Questionnaire, and which demonstrate an understanding of the Scope of Services (Section 2). At its sole discretion, SFHSS reserves the right to reject any Response for reasons including, but not limited to:

- a) Collusion among two or more Respondents (including, but not limited to, Respondent's employees, consultants, officers, partners or subcontractors)
- b) Conflicts of interest;
- c) Submission of a conditional or incomplete Proposal;
- d) Failure to respond in the format required, both in content and sequence;
- e) Failure to submit the response by the specified deadline;
- f) Failure to answer any question in this RFP;
- g) Failure to meet a qualification or requirement;
- h) False or misleading statements;
- i) Non-responsive Proposal(s);
- j) Proposals submitted by a non-responsible Proposer; and/or
- k) Any other reason which, in SFHSS' opinion, the response or Proposal fails to meet the conditions and requirements of this RFP.

4.7.13 *No Offer to Contract.* Issuance of this RFP in no way constitutes a commitment by SFHSS, the HSB, or the City, to award a contract. Acceptance of a Proposal neither commits SFHSS to award a contract to any Respondent, even if all requirements stated in this RFP are met, nor limits our right to negotiate in our best interest. SFHSS reserves the right to contract with a vendor for reasons other than lowest price.

4.7.14 *No Commissions.* No commissions will be paid, and none may be included in any Proposal. No designation of Broker of Record (BOR) will be issued to any Prospective Respondent to procure a quotation from a health insurance entity. No override payment, volume bonuses or other indirect payments of any kind to agents or third parties are allowed in connection with this RFP.

4.7.15 *Consent to Reassign Personnel.* If selected by SFHSS, Respondent shall not reassign personnel assigned to the contract during the term of the contract without prior notification to SFHSS, including Account Executive and key staff. If personnel are unable to

perform duties due to illness, resignation, or other factors beyond Respondent's control, Respondent shall make every reasonable effort to provide suitable Substitute Personnel for review and approval by SFHSS.

4.7.16 *Substitute Personnel.* If selected by SFHSS, Respondent shall coordinate with SFHSS regarding the selection of Substitute Personnel including from the personnel identified within the Respondent's RFP response but not limited to in-person interviews with proposed Substitute Personnel. Substitute Personnel shall not automatically receive the hourly rate of the individual or position being replaced. SFHSS and Respondent shall negotiate the hourly rate of any substitute personnel in the contract. The hourly rate negotiated shall depend, in part, upon the experience and individual skills of the proposed substitute personnel. The negotiated rate cannot exceed the hourly rate stated in the contract.

4.7.17 *Removal of Personnel.* SFHSS reserves the right to request personnel be removed from performing any services upon written notice from SFHSS including, but not limited to, for actual or perceived conflict(s) of interest. If any personnel are removed, Substitute Personnel shall be assigned.

4.7.18 *Objections to the RFP Terms.* Should Respondent object on any ground to any provision or legal requirement set forth in this RFP, Respondent must, at least ten (10) calendar days before the Deadline for Proposals, provide written notice to SFHSS setting forth with specificity the grounds for the objection(s).

The failure of a Respondent to object within the time allowed, and in the manner set forth in this paragraph, shall constitute a complete and irrevocable waiver of any such objection(s).

Deadline for Objections to RFP Terms: June 15, 2025 at 11:59 PM (PT)

4.7.19 *Campaign Reform and Prohibition on Behested Payments*

- a) *Campaign Reform Ordinance.* Respondents must comply with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which states:

No person who contracts with the City and County of San Francisco for the rendition of personal services, for the furnishing of any material, supplies or equipment to the City, or for selling any land or building to the City, whenever such transaction would require approval by a City elective officer, or the board on which that City elective officer serves, shall make any contribution to such an officer, or candidates for such an office, or committee controlled by such officer or candidate at any time between commencement of negotiations and the later of either (1) the termination of negotiations for such contract, or (2) three months have elapsed from the date the contract is approved by the City elective officer or the board on which that City elective officer serves.

If a Respondent is negotiating for a contract that must be approved by an elected local officer or the board on which that officer serves, during the negotiation period Respondent is prohibited from making contributions to:

- The officer's re-election campaign;
- A candidate for that officer's office; and/or

- A committee controlled by the officer or candidate.

The negotiation period begins with the first point of contact, either by telephone, in person, or in writing, when a Contractor approaches any City officer or employee about a particular contract, or a City officer or employee initiates communication with a potential Contractor about a contract. The negotiation period ends when a contract is awarded or not awarded to the Contractor. Examples of initial contacts include: (1) a vendor contacts a City officer or employee to promote himself or herself as a candidate for a contract; and (2) a City officer or employee contacts a Contractor to propose that the Contractor apply for a contract. Inquiries for information about a particular contract, requests for documents relating to this RFP, and requests to be placed on a mailing list do not constitute negotiations.

Violation of Section 1.126 may result in the following criminal, civil, or administrative penalties:

- *Criminal.* Any person who knowingly or willfully violates Section 1.126 is subject to a fine of up to \$5,000 and a jail term of not more than six months, or both.
- *Civil.* Any person who intentionally or negligently violates Section 1.126 may be held liable in a civil action brought by the civil prosecutor for an amount up to \$5,000.
- *Administrative.* Any person who intentionally or negligently violates Section 1.126 may be held liable in an administrative proceeding before the Ethics Commission held pursuant to the Charter for an amount up to \$5,000 for each violation.

For further information, Respondents should contact the San Francisco Ethics Commission at (415) 581-2300.

- b) *Prohibition on Behested Payments.* Respondents must comply with the City's Behested Payment Legislation, approved by the Board of Supervisors on December 14, 2021, available at <https://sfethics.org/compliance/behested-payments>; see also https://codelibrary.amlegal.com/codes/san_francisco/latest/sf_campaign/0-0-0-47602.
