A Special Guaranteed Issue Period will be open, beginning October 1st and ending on October 24th. Eligible employees may obtain up to \$200,000 in guaranteed issue Supplemental Life Insurance, without the need to provide Evidence of Insurability (EOI).

You may also utilize this Special Guaranteed Issue period to elect up to \$50,000 of guaranteed issue life insurance for your spouse/domestic partner, without the need to provide Evidence of Insurability (EOI).

This Special Guaranteed Issue period is extended to eligible City Employees who may have previously been denied Supplemental Life Insurance, those who currently have Supplemental Life Insurance with lower guaranteed issue amounts, and to those who have not previously elected Supplemental Life Insurance in the past. This is also the time to choose Supplemental Life Insurance for your dependents.

Dependent Care FSA

- Beginning January 1, 2026, the maximum contribution you can set aside for your Dependent Care Flexible Spending Account (FSA) will be based on your annual salary to accommodate the higher allowable maximum and comply with the IRS Highly Compensated Employee (HCEs) requirements.
- The minimum Dependent Care FSA contribution is \$250 for all employees.

- For employees who gross **less** than or equal to \$160,000 annually, the maximum contribution for Dependent Care FSA will be \$7,500.

Surrogacy and Adoption

SFHSS offers a one-time reimbursement of up to \$15,000 for eligible employees or retirees to cover qualified expenses from adoption or surrogacy. For more information and eligibility requirements, visit sfhss.org/surrogacy-and-adoption.

Blue Shield of California Updates

- **NEW!** Beginning October 1, 2025, Blue Shield of California Trio and Access+ HMO plans will introduce a dedicated customer service phone line for SFHSS members at (800) 357-1901, designed to enhance the member experience.
- All Blue Shield of California HMO plan members will receive a new ID card in late December 2025 for plan year 2026 with the new customer service phone number.
- Members who enroll in the Blue Shield of California Trio or Access+ HMO plans for the first time will be able to identify and add their preferred Primary Care Physician (PCP) on their application. This will allow the PCP of their choice to be reflected on their new medical plan ID card. However, this is not a guarantee that the physician will accept the member as a new patient. Please confirm with the doctor's office first.
- Blue Shield of California PPO and Medicare Advantage PPO plans will keep their same phone numbers.

Executive Director's Message

Your 2026 San Francisco Health Service System (SFHSS) benefits are here!

After your initial New Hire or New Retiree enrollment period, Open Enrollment is your annual opportunity to make changes to your health benefits.

For Plan Year 2026, Open Enrollment will take place from October 1 to October 24, 2025. During this period, you can:

- Review your current medical, dental, vision, and other benefit elections.
- Compare plan options and make changes to your coverage.
- Update your beneficiaries.
- Enroll in or waive coverage.

I am excited to announce that, effective January 1, 2026, New York Life will serve as the administrator for SFHSS' Life (both employer-paid and supplemental), Long-Term Disability, Short-Term Disability, and Accidental Death &

Dismemberment Insurance coverage. This transition will align all these programs under a single carrier, providing a more seamless member experience. Plus, during this year's Open Enrollment, New York Life has agreed to allow new enrollees to elect up to \$200,000 in Supplemental Life Insurance and \$500,000 in Accidental Death and Dismemberment coverage without needing to go through a medical underwriting review. These plans help provide financial security for a member's family and help the member to be prepared for those worst-case scenarios.

To access your benefits information and complete your enrollment, please visit sfhss.org/how-to-enroll. You can also find helpful resources, including plan summaries and FAQs, on the site.

If you have any questions, please don't hesitate to contact SFHSS Member Services at **(628) 652-4700**.

Medical Plan Options

SFHSS offers a variety of medical plan options to allow you to select the plan that provides the right coverage at the right cost for you and your covered family members to remain healthy and productive. SFHSS offers four Health Maintenance Organization (HMO) plans and one Preferred Provider Organization (PPO) plan.

To learn more, visit: sfhss.org/benefits/city-and-county.

Health Maintenance Organization (HMO)

An HMO is a medical plan that offers benefits through a network of participating physicians, hospitals and other healthcare providers working closely together to help coordinate your care. You select a Primary Care Physician (PCP) who will coordinate all non-emergency care and services including access to certain specialists, programs and treatments that are in the same medical group or network. You must live or work in a ZIP code serviced by the plan to enroll.

Under these plans, there is no plan year deductible before accessing your benefits. Most services are available for a fixed dollar amount known as a "co-payment."

SFHSS offers the following HMO medical plans:

- **Health Net CanopyCare HMO:**

A narrow network plan that provides care through a small number of local accountable care organizations (ACOs), a network of doctors and hospitals that share responsibility for providing care to you and your covered dependents. Includes access to their "Alliance Referral Program", which provides members with access to specialists from all participating Canopy Health Medical Groups.

- **Kaiser Permanente HMO:**

Utilizing an integrated-care model, Kaiser Permanente provides care through their own doctors and facilities, including inpatient and outpatient settings, pharmacy, lab, imaging, and other ancillary services.

- **Blue Shield of California Trio HMO:**

A narrow network plan that provides care through a small number of local accountable care organizations (ACOs), a network of doctors and hospitals that share responsibility for providing care to you and your covered dependents.

- **Blue Shield of California Access+ HMO:**

A broad network HMO plan with access to many of the Bay Area's medical groups. The plan includes the ability for members to self-refer themselves to certain specialists.

Preferred Provider Organization (PPO)

A PPO is a medical plan that provides access to a network of health care providers (doctors, hospitals, labs, pharmacies, etc.) known as preferred providers. You pay less when you seek services from preferred providers. However, the plan allows you the option of seeing non-preferred providers, but requires you to pay a higher percentage of the bill.

Generally, when compared to HMO medical plans, PPOs usually result in higher out-of-pocket costs and a deductible will apply to many services. Instead of having a fixed co-pay for medical services, your cost share may vary as a percentage of what the provider charges, as a percentage of the provider's charge, called "coinsurance". You will need to pay your plan year deductible prior to paying your coinsurance for the applicable service.

SFHSS offers the following PPO plan:

- **Blue Shield of California PPO**

How to Enroll in Medical Benefits

Eligible full-time employees must enroll in an SFHSS medical plan **within 30 calendar days** of their hire date or Qualifying Life Event. SFHSS members may enroll online using **My Health Benefits** via **SF My Hub** (go to sfhss.org/how-to-enroll to get started) or by completing and submitting an **Enrollment Application form** by fax or mail, along with required eligibility documentation.

If you do not enroll by the deadline, your next opportunity to enroll in benefits is during the next Open Enrollment for coverage the following plan year, or if a **Qualifying Life Event** occurs.

Coverage following a **Qualifying Life Event** will start the first day of the coverage period following receipt and approval of required eligibility documentation.

Vision Plan Options

SFHSS offers two vision plans for members and dependents who are enrolled in a SFHSS medical plan. Vision coverage is provided through Vision Service Plan (VSP). To learn more, visit:

sfhss.org/benefits/city-and-county.

Vision Service Plan - Basic

The VSP Basic Plan is included with enrollment in all SFHSS medical plans. Members are eligible for a vision exam once a year, and either one set of contacts or a pair of eyeglasses frames/lenses every other calendar year. Eligible dependent children are covered in full for polycarbonate prescription lenses.

Vision Service Plan - Premier

Members may buy-up to the VSP Premier Plan that includes coverage for either one set of contacts or a pair of eyeglasses frames/lenses every calendar year. The VSP Premier Plan provides a higher allowance for a frame and lenses or contacts. If a member buys up to the VSP Premier Plan, member's dependents will also be enrolled in the VSP Premier Plan.

Accessing Your Vision Benefits

You may go to a VSP in-network or out-of-network provider. In-network providers include Costco, Visionworks, Walmart Vision, and Sam's Club. Visit www.vsp.com for a complete list of network providers.

To receive services from an in-network provider, contact the provider and identify yourself as a VSP Vision Care member *before* your appointment.

VSP Vision Care will provide benefit authorization directly to the provider. Services must be received prior to the benefit authorization expiration date.

If you receive services from a network provider *without* prior authorization or obtain services from an out-of-network provider (including Kaiser Permanente), you are responsible for payment in full to the provider. You may submit an itemized bill to VSP for partial reimbursement.

Compare the costs of out-of-network services to in-network costs before choosing. You can submit a claim for reimbursement online from your VSP member account or by contacting VSP Member Services at **(800) 877-7195** and requesting a claim or reimbursement form.

Expenses Not Covered by Plan

- Orthoptics (and any associated supplemental testing), plain (non-prescription) lenses, or two pairs of glasses in lieu of a pair of bifocals.
- Replacement of lenses or frames furnished that are lost or broken (except at the contracted intervals).
- Medical or surgical eye treatment (except for limited Essential Medical Eye Care).
- Corrective vision treatments such as, but not limited to, LASIK and PRK laser surgery. You may be eligible for discounts from a VSP doctor.

For more information, please review the Evidence of Coverage at sfhss.org/vsp-vision-plans

VSP Computer VisionCare Benefit

Some union contracts provide employer-paid computer vision benefits. Coverage includes an annual computer vision exam, \$75 in-network retail frame allowance every other calendar year and single vision, bifocal, and trifocal lenses every calendar year. You can also add anti-reflective or UV coating at no additional cost.

VSP LightCare

Both Basic and Premier plans now include VSP LightCare. Members can choose to use their regular frame allowance for ready-made non-prescription sunglasses or ready-made non-prescription blue-light filtering glasses.

VSP Vision Care Member Extras

VSP Vision Care offers exclusive special offers, discounts, and rebates on popular contact lenses.

VSP also provides savings on **hearing aids** through **TruHearing®** for members, their covered dependents and extended family including parents and grandparents.

No Medical Plan = No Vision Benefits

If you do not enroll in a medical plan, you and your dependents cannot enroll in VSP Vision Care plans offered through SFHSS. Member and their dependents must elect the same Vision Plan option.

Dental Plan Options

Dental Plan Benefits

SFHSS offers three dental plan options for our members to choose from. Two are Dental Health Maintenance Organization (DHMO) plans and one is a Dental Preferred Provider Organization (DPPO) plan. To learn more, visit: sfhss.org/benefits/city-and-county.

DHMO Dental Plans

Similar to medical HMOs, Dental Health Maintenance Organization (DHMO) plans require you to receive all of your dental care from their network of participating dental providers. These networks are smaller than dental PPO networks.

Before you elect a DHMO plan, make sure the plan's network includes your chosen dentist, and that dentist is accepting new patients.

Under DHMO plans, services are covered either at no cost or with a fixed co-pay. Out-of-pocket costs for these plans are generally lower than PPO plans.

SFHSS offers the following DHMO dental plans:

- **DeltaCare® USA DHMO**
- **UnitedHealthcare Dental DHMO**

PPO Dental Plan

A PPO dental plan allows you the flexibility to visit any in-network or out-of-network dentist. The plan covers a higher percentage of the costs for covered services when you go to an in-network PPO dentist. Out-of-network providers may bill you for the difference between your co-insurance and Delta Dental's reimbursement, which is based on a coverage limit for the service.

SFHSS offers the following dental PPO plan:

Delta Dental PPO Plus Premier™

Delta Dental PPO Plus Premier has two different networks. Ask your dentist if they participate in the Delta Dental PPO or Premier network. You will pay a higher co-insurance when you visit a Premier provider versus a PPO provider. When you use Delta Dental's network dentists, you are only responsible for the deductible and co-insurance, within applicable benefit maximums. Delta Dental's network dentists are not allowed to charge you more for covered services beyond the negotiated rates.

You may also visit an out-of-network dentist. Out-of-network providers may bill you for the difference between your co-insurance and Delta Dental's reimbursement, which is based on a coverage limit for the service. This is known as balance billing.

If you want to know what you are responsible for paying, please ask your dentist for a pre-treatment estimate before receiving covered services.

Flexible Spending Accounts (FSAs)

IRS rules require annual enrollment in Flexible Spending Account(s) during Open Enrollment if you want to continue this benefit for the next plan year. If you do not re-enroll, your FSA will terminate at the end of the current plan year.

There are two types of FSA accounts offered by the San Francisco Health Service System (SFHSS). The Health Care FSA (HCFSA) covers common medical expenses for members and their dependents, such as, co-payments, prescription drugs and certain over-the-counter products. The Dependent Care FSA (DCFSA), which covers childcare and care for elderly family members who are incapable of self-care. HCFSA is designed to allow members to pay for medical expenses not covered by health insurance on a pre-tax basis. DCFSA is designed to allow members to pay for childcare or adult dependent care expenses on a pre-tax basis. SFHSS FSA accounts are administered by the P&A Group.

Health Care FSA (HCFSA)

- You may set aside between \$250 and \$3,300 in pre-tax dollars for the 2026 plan year. The full annual amount is available after the first contribution has been deducted. Deductions will be taken biweekly from your paycheck.
- P&A will issue a debit card for you to use to make spending your FSA easier. You can also submit a claim for reimbursement via smartphone app, online, fax, or mail. For a complete list of eligible healthcare expenses, visit padmin.com/participants/reimbursement-accounts/health-fsa.
- At the end of the plan year, unclaimed funds of a minimum of \$10 and a maximum of \$660 in the Health Care FSA may **carryover** into the next plan year for one year. Any unclaimed funds of less than \$10 and more than \$660 will be forfeited. **There are no exceptions.**¹

¹Per IRS rules, you forfeit all funds remaining in an FSA by the end of the claim filing period unless covered by the Health Care FSA Carryover provision.

2025 FSA expense reimbursement claims must be submitted to P&A Group by March 31, 2026, 11:59 p.m. PST. Contact P&A Group at (800) 688-2611, M–F, 5:30 a.m. to 7 p.m. PST or visit padmin.com.

Dependent Care Assistance FSA (DCFSA)

You pay for qualified childcare and/or dependent care expenses with pre-tax dollars, which can reduce your overall taxable income.

Eligible dependents include:

- Children under the age of 13,
- A spouse who is unable to work and take care of themselves, and
- An adult-dependent who is unable to take care for themselves *and* for whom you claim the 'dependent exemption' on your taxes.

DCFSA is a "pay as you go" account where you must have enough funds in your account before you submit your claim for reimbursement. Eligible expenses include certified nursery schools, after school programs, children's daycare, day camps, caregiver for a dependent. DCFSA expenses must be incurred to enable you (and, if married, your spouse) to work.

You can only change your election if you have a qualifying life event or a change in dependent care expenses. For a complete list of eligible dependent care expenses, visit padmin.com/participants/reimbursement-accounts/dependent-care-assistance-account.

- For plan year 2026, you may set aside between \$250 and \$7,500 pre-tax per household if you earn up to \$160,000. If your annual salary exceeds \$160,000, the IRS considers you a highly compensated employee (HCE), and you may set aside between \$250 and \$3,000 per household. SFHSS may adjust your election amount if you do not qualify for the higher election. Deductions will be taken biweekly from your paycheck.
- **Funds cannot be used for dependent medical, dental, or vision expenses.**
- Reimbursement claims can be submitted to P&A Group by mail, online, or smartphone app.
- If you or your spouse were providing care and then return to work, you may enroll or increase your DCFSA election. If you were previously using dependent care elections and you or your spouse now work from home, you may decrease your election or cancel future paycheck deductions. **There are no refunds for canceling or reducing elections.**
- **Unlike a HCFSA, there is no Carryover option with DCFSA.** Expenses and services need to be incurred in the same plan year or the funds will be forfeited. **There are no exceptions.**

LTD Insurance & Bargaining Units Chart

Employer-Paid Long-Term Disability Insurance

Some union contracts provide Long-Term Disability (LTD) Insurance. A long-term disability is an illness or injury that prevents you from working for an extended period of time. LTD insurance may replace part of your lost income by paying you directly on a monthly basis. LTD payments will be reduced if you qualify for other sources of income, such as workers' compensation or state disability benefits. LTD coverage begins the first day of the month, following six (6) months of employment. For complete eligibility requirements, call **New York Life** at at **(800) 695-4226, Option #1, Extension #3**.

Absence from Work and LTD Coverage

If you are not actively at work due to illness or injury, LTD coverage continues for 12 months from the start of your approved medical leave. If your coverage terminates during a period of disability, which began while you had coverage, benefits will be available as long as your period of disability continues. **Make sure your portion of benefit premiums is paid.**

Returning to Work

LTD programs can help you get back on the job when it's medically safe for you to do so. You may be able to return to work part-time, or work at a different type of job. If you qualify, LTD can continue paying a portion of your benefits.

If You Become Disabled

If you become disabled, and you are eligible for long-notify New York Life of your disability as soon as possible, Monday through Friday, from 5:00 A.M. to 5:00 P.M., by calling **(888) 842-4462**.

Within 30 days after the date of your disability, you should begin filing a long-term disability insurance claim with New York Life.

New York Life will work with your doctor to certify that your illness or injury will keep you away from your job.

For more information about Long-Term Disability Insurance, visit sfhss.org/long-term-disability-insurance.

COBRA, Covered California, and Holdover

COBRA

Under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA), employees without holdover rights, or whose holdover rights have ended, may be eligible to continue medical, dental and vision coverage for themselves and eligible dependents at the employee's expense. Current year FSAs (Flexible Spending Accounts) may also be COBRA-eligible. For COBRA information, visit padmin.com or call **(800) 688-2611**.

Employees may elect to continue healthcare coverage through COBRA if coverage is lost due to:

- Voluntary or involuntary termination of employment (except for gross misconduct)
- Hours of employment reduced, making employee ineligible for employer health coverage

Covered spouses or domestic partners may also elect to be covered under COBRA if coverage loss is due to:

- Voluntary or involuntary termination of the employee's employment (except for misconduct)
- Divorce, legal separation, or dissolution of domestic partnership from the covered employee
- Death of the covered employee

Covered dependent children may elect COBRA coverage if healthcare coverage is lost due to:

- Loss of dependent child status under the plan rules
- Voluntary or involuntary termination of the employee's employment (except for misconduct)
- Hours of employment reduced, making the employee ineligible for employer health coverage
- Parent's divorce, legal separation, or dissolution of domestic partnership from the covered employee
- Death of the covered employee

COBRA Notification and Election Time Limits

If an employee and any enrolled dependents lose SFHSS coverage due to separation from employment, P&A Group will notify the employee of the opportunity to elect COBRA coverage. The employee or dependent has **60 days** from the COBRA notification date to complete enrollment and continue coverage. Coverage will be retroactive to the date of the COBRA-qualifying event, so there is no break in coverage. Employee coverage ends on the last day of the coverage period in which employment terminates. However, if the termination date falls on the first day of the coverage period, coverage ends that same day. If an enrolled dependent of an employee loses coverage due to divorce, dissolution of partnership, or aging out, the employee or dependent must notify P&A Group **within 30 days** of the qualifying event and request COBRA enrollment information.

Paying for COBRA

It is the responsibility of covered individuals enrolled in COBRA to pay required healthcare premium payments directly to P&A Group. **COBRA premiums are not subsidized by the employer.**

Dependents dropped from coverage during Open Enrollment are not eligible for COBRA.

Duration of COBRA Continuation Coverage

COBRA coverage is generally available for a maximum of 18 months. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a coverage extension for up to 36 months. Employees and dependents who are eligible for less than 36 months of federal COBRA may also be eligible for Cal-COBRA. Continuation coverage under both federal and California state COBRA will not exceed 36 months.

Employees who are disabled on the date of their qualifying event, or any time during the first 60 days of COBRA coverage, are eligible for 29 months of coverage. Beginning the 19th month of coverage, the cost will rise to 150% of group rate.

Flexible Spending Accounts and COBRA

To continue FSA benefits under COBRA, year-to-date FSA contributions must exceed year-to-date claims as of your employment termination date. To keep your FSA open, apply under COBRA and continue making the biweekly contribution plus a 2% administrative charge. COBRA Flexible Spending Account contributions are post-tax.

Termination of COBRA Continuation Coverage

COBRA coverage will end if:

- You obtain coverage under another group plan
- You fail to pay the premium required under the plan within the grace period
- The applicable COBRA period ends

Covered California: Alternative to COBRA

Individuals who are not eligible for SFHSS coverage should consider obtaining health insurance through the state insurance exchange, Covered California.

In some cases, you may qualify for tax credits and other assistance to make health insurance more affordable.

For information about Covered California health plans, call **(800) 300-1506** or visit coveredca.com.

Holdover Rights

Employees who are placed on a holdover roster may be eligible to continue SFHSS medical, dental and vision coverage for themselves and covered dependents. Eligibility requirements include:

1. Employees must certify annually that they are unable to obtain other health coverage.
2. Holdover premium contributions must be paid by the due date listed on the Health Coverage Calendar. Rates may increase each plan year.

New Hires: Health Coverage Does Not Begin On Work Start Date

You have **30 days from your work start date** to enroll in health benefits. If you enroll within the **30-day deadline**, coverage will begin on the first day of the coverage period following your work start date.

Employee premium contributions are deducted from paychecks biweekly and are paid concurrent with the coverage period. Flexible Spending Account (FSA) deductions only occur on pay dates during the 2026 tax year.

If you take an approved unpaid Leave of Absence, you must arrange to make premium payments that were previously deducted from your paycheck, directly to SFHSS. Employee premium contributions are due no later than the pay date of the benefits coverage periods above.
