16. REPORTS AND UPDATES FROM CONTRACTED HEALTH PLAN REPRESENTATIVES: (Discussion)

Julie Brady, Kaiser Permanente, Medicare retirees, announced that she was transitioning to a new role at Kaiser Permanente and introduced Zared Castillo as the new representative serving HSS Medicare retirees. Zared Castillo introduced himself and said he was honored and excited to continue supporting the retirees.

PUBLIC COMMENT:

Teresa Palmer MD, geriatrician and City Retiree, expressed concern that Kaiser retirees were being placed in nursing homes outside their home counties, creating hardship for patients and families. She emphasized the need for HSS to require health plans to provide data on out-of-county nursing home transfers. She asked why Kaiser was not contracting with local facilities such as Laguna Honda, Chinese Hospital, and the Jewish Home to keep San Franciscans closer to home. She urged HSS to obtain this data, noting it would help retirees and the broader community.

Tim O'Brien, Secretary-Treasurer, Retired Firefighters and Spouses Association, asked why Kaiser had provided a report while Blue Shield had not, noting that both were contracted health plans. The Vice President explained that presenting was optional, and Blue Shield was not required to provide a report. (Asked during Agenda item #17 but part of this item for the record.)
