A. Questions & Answers

1. **Is there a City and County of San Francisco Contract Monitoring Division (CMD) Local Business Enterprise (LBE) subcontracting requirement for this solicitation?**

SFHSS Response:

No. SFHSS received a waiver from the City's Contract Monitoring Division (14BPREDID0002930), so there is no Local Business Enterprise (LBE) subcontracting requirement for this solicitation.

2. **Did the City have an agreement with a vendor for Phases 0 and 1 referenced in Appendix A (Phase II Implementation Scope of Services)? If so, can you tell us who that vendor was, and are they eligible to bid on this Request For Bid?**

SFHSS Response:

Yes. SFHSS has had one (1) prior agreement with MobileAWS LLC dba AllCode (AllCode) to perform Phase 0 (Scope Initiation) and Phase 1 (Functional Assessment) services.

AllCode is eligible to submit a proposal for this solicitation as a vendor on the *Pre-Qualified List of Suppliers for RFQ 2022-04 Enterprise Resource Planning Systems Implementation & Support Services (Re-Release)* originally issued on April 25, 2022 and re-released on March 25, 2024 by the City and County of San Francisco (City) Controller's Office.

3. **Please confirm how vendors are required to submit their proposals.**

SFHSS Response:

Please submit your organization's Proposal by or before the **Deadline for Proposals on 12:00 PM (PT) on Thursday, June 25th, 2026** via email to Michael Visconti at michael.visconti@sfgov.org and cc: william.kudenov@sfgov.org and patrick.chang@sfgov.org.
